Noon Check Out Time

### *Retreat Speaker Dr. Dan Boone*

At age 12, he was called to preach. During his junior and senior years of high school, he pastored the New Salem Church. The congregation grew from 3 to 50. Dr. Boone attended graduated from

Trevecca Nazarene University where he also met his wife, Denise (one of God's greatest gifts in his life). Following their years at TNU, he attended NTS and completed a Master's degree. After eight years pastoring in Raleigh, he became the pastor of the College Hill Church of the Nazarene on TNU's campus. He was there for 20 years before God called him to serve as President of TNU. He has served at TNU for 9 years and now is the President of ENC also. They have 3 daughters, 3 son-in-laws and six grandchildren, Eleanor, Anna, Clara, Grey, Boone, and Rowan.

### *Retreat Worship Leader Pastor Oziel*

Pastor Oziel Arcia-Cruz, born and raised in Mexico, served as a pastor in four churches. Eleven years ago he began serving as the Worship Pastor for Missional

Ministry at HFCN. He is happily married to Rosalba Bernal and they have 3 beautiful children. It's very common seeing Pastor Oziel and his family serving all together in ministry.

# 2018 Ministry Team Retreat

## Bilingual Translation

For individuals in need of Spanish audio translation, please see Rev. Felicidad Martinez for assistance in obtaining a headset.

## Name Tags

Please make sure to wear your Ministry Team Retreat name tag throughout the retreat as you meet and greet other Nazarene pastors from across the Virginia District!

## You are NOT alone

We are a community of pastoral families sharing in a unified purpose, “making Christlike disciples in VA and beyond.” Our work can be exhausting and at times feel extremely lonely. Nothing is more exhilarating, however, than when someone is converted, accepting Jesus as Lord.

## THE DOOR

### Missional District Assembly

Dates: July 19-21, 2018

Location: Lynchburg First COTN

*Every good leader benefits from a season to renew, rest, and to refocus. ReCharge Ministry Team Retreat 2018 is designed for this purpose.*

*Sometimes in the middle of our victories we face overwhelming discouragement or defeat. At times the road is challenging. In the middle of the exhilaration of ministry you also discover exhaustion.*

*ReCharge is designed to help you rest, focus and go.*

*REST: Intentionally we have not overscheduled this event. Intentionally we only take a few moments to promote district programs and plans. Intentionally we have planned for later breakfasts, especially on Sunday (change to daylight savings time) to focus on rest. The worship settings will encourage and lift your spirit. The messages will lovingly challenge your vision and you will sense the Spirit's infilling and encouragement.*

*FOCUS: Through the worship and the messages of Dan and Denise Boone, who are our special guests, we believe God will help us focus our work and passions. We believe he will strengthen and clarify, and most likely expand His vision in our hearts. You will love getting to know Dan and Denise Boone. Serving as president to two universities might be one of the most amazing undertakings anyone has accepted for quite some time. They love the Church. They love pastors. They lead with a pastoral heart. Let's welcome them back home to Virginia.*

*This is a good time for us to be together.*

*GO: I know it sounds a little backward, but we really do “retreat” so that we can “advance the mission.” My prayer is that these three days together will by their influence in our hearts help us as we reap a spiritual harvest.*

*We are thrilled to be in Charlottesville with YOU. We love you!*

*Phil & Cheryl Fuller*
