# INSPIRATION

Friends,

These are amazing days to be in mission with Jesus *The Nazarene!*

Pandemic or not we believe in a beautiful shared accountability that inspires us to be our very best for Jesus.

While the Coronavirus cancelled our annual assembly, nothing has changed about our mission. We are in this journey together.

This handbook is just one small tool in our inspiration and accountability. Read the reports. Look at the stats. Celebrate the victories. The stories behind the numbers are truly inspiring. There are reports of victories everywhere.

We are blessed with faithful and fruitful pastors.

We are blessed with serving and inspiring lay people.

What I have seen during the season of COVID-19 is how resilient Christ's church really is and how keen we are to stay focused on mission.

We are in a season for the church to not merely survive but to thrive by a focus on connecting, serving and giving.

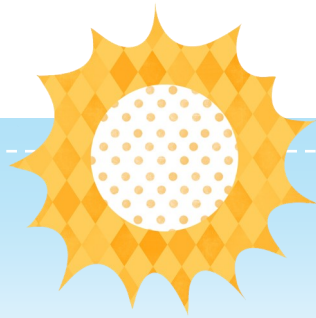

These are actually some of our very best days.

My prayer remains that our witness bears much fruit. We look forward to every conversion, every baptism and every disciple witnessing to the sanctified life.

For Others and for His Glory!

Phil Fuller

## Achievement Awards

Ministries focused on reaching and loving people and teaching them God's Word are most likely to show advancement and achievement each year. To properly celebrate local churches with significant achievement in responsibility and attendance, three levels of recognition are available.

### **Honor** - 1%-9% increase

To receive the Honor Achievement Award, there must be a Discipleship Ministries percentage gain of at least 1% but lower than 10% over the figures reported to the last district assembly in both responsibility and average attendance.

## General Superintendents' Growth Award

*"I planted ...God made it grow" (1 Cor. 3.6)*

The purpose of the General Superintendents' Growth Award (GSGA) is to give prominence to those practices that are central to the local and worldwide advancement of the church; specifically, new Nazarenes, significant involvement in sponsoring a new church, and 100% participation in fund allocations.

Scott Stearman was specially commissioned to sculpture "The Sower." This symbol was chosen because it represents the prerequisites of harvesting. It recalls the words of the Psalmist, "He who goes out weeping, carrying seed to sow, will return with songs of joy, carrying sheaves with him." (Psalm 126:6) It draws directly from Paul's analogy, in 1 Corinthians 3:6, "I planted the seed, Apollos watered it, but God made it grow."

- Churches that win people to Christ are healthy.
- Starting new churches is the most effective means of evangelism known to the church.
- Fund allocations are essential to the cooperative ministries of the Church of the Nazarene.

**New Nazarenes** requirements are based on 10% of attendance for the current year. The meaning of "**significant involvement in sponsoring a new church**" is very specific and is spelled out in the Sponsorship Criteria Worksheet. This worksheet is available online with the Local Forms packet. **Full participation in fund allocations** includes district assignment, educational support, pensions (applicable to US only), and World Evangelism Fund.

- The requirements for receiving this award are intentionally high—it is a special recognition by the Board of General Superintendents.
- It is not based on attendance or membership.
- This award is not intended to replace all awards. Other Global Ministry Center entities will continue to offer their respective awards. Districts will continue to offer their awards.

This award is given in recognition of outstanding accomplishment in essential practices of the expansion of the kingdom of God through the Church of the Nazarene. The presentation of this unique and beautiful sculpture is intended to say "Thank You" to the receiving pastor and church, and to elevate in the consciousness of our people the compelling importance of winning people to Christ, starting new churches, and supporting the organizational structures that make possible evangelism around the world.

Congratulations to the following Virginia churches who are receiving the General Superintendents' Growth Award for the 2019-2020 church year:

### Hampton Puerta de Salvación

Thank you for your faithful dedication to making Christlike disciples in Virginia and beyond!

This year has been challenging in attendance and finances but the district sent George Stevenson and his wife Glorice to assist us and encourage us in our work here and he did just that! With a renewed emphasis on congregational prayer and giving. We were making some good progress with new devotional groups and will continue while we wait and pray for continued victories.

We thank God for the faithful few in our church that have awakened the desire and the action of praying together. These prayer chains have been used by God to bring each of us closer to Him and to His will. We have been moved to prayer together in groups of 2 or 3 to seek God's deliverance for our fellow brothers and sisters in Christ, who are in chains in East Africa and throughout the World. The prayer chains start with a brother or sister sharing a message of God's love and faithfulness from His Word. After that we then spend time during the week praying with our prayer chain partners. In our time of Stay at Home orders the prayer chains have helped us keep our local church together. We thank God and praise Him for His great wisdom.

It has now been five years since we arrived at this beloved church and we can say that the best is yet to come. There surely will be many challenges but we know that we are not alone. First, we know that we are backed by the Lord and secondly the help of a church that has grown to understand the dynamic of the Kingdom. It is a joy to see that the work for the Lord is not in vain, there has been more willingness to serve and in turn ministries such as evangelism and discipleship have been done with much more effectiveness especially by the leadership. This year we have taken on a slogan that translates to "We are a church of servants" in which the whole church has owned in a very special way. We hope the Lord continues to include us in his plans and gives us the opportunity to continue serving him.

God is Faithful! This has been an unusual and difficult year, but God has proven that he is greater and above all obstacles. We have seen the grace of God transform Virginia through the Holy Spirit; our church has seen people saved. Our great team of leaders has been mission focused, reaching out and evangelizing. To God be the glory!

Our 2019-20 focus was: Story: God's Ours and Yours

We rediscovered God's amazing story of Love Redemption and Holiness.

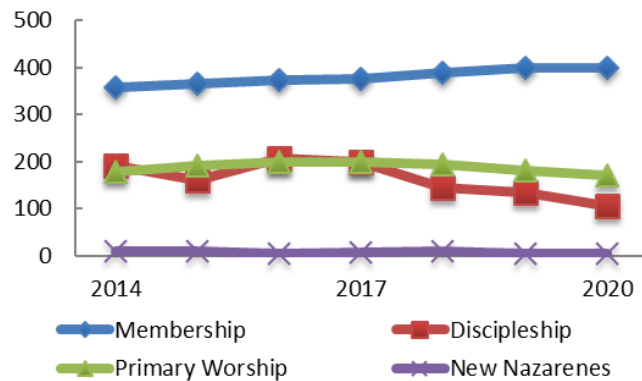

We re-learned how to tell our own stories of rescue, repentance and surrender.

We learned how to listen to others stories and by doing so lead them to the story of God.

It is our privilege to be in the presence of God's church. This year we have seen the hand of God in our congregation, who wants to serve God above all things and having an intimate relationship with God and expand His kingdom through the gospel and reach out the lost souls for our Lord. From March 2019- February 2020, we had 19 new family members, 18 new in faith, 18 baptized, 69 disciples, making a total of 195 member. Our Vision is to reach the lost souls for Christ so they can achieve holiness and love them through our home Bible cells. Institute training and pastoral messages help us to expand more churches. We thank God, because every day He pours out his glory and love upon the Presence of God's church. To God be the Glory.

AFCN's Vision is to "Make Christ-like Disciples by Building Meaningful Relationships." Our Vision is supported by our Core Values based on Acts 2:42: Word, Prayer, Fellowship, and Community. Values drive our ministries for outreach. We are a neighborhood church with a legacy of over 100-years. Our proximity to Washington, DC provides special opportunities to proclaim the gospel to a highly diverse community. AFCN's transformation mission strategy is aimed at nurturing meaningful, Christ-loving, trusted relationships within this community, and to the world.

This year has been very different for me. Satan tried hard to attack us, including myself. At the time I did not understand why. As I talked to other pastors they told me just let God take it all. Just keep praying, and let God work it all out.

God did come in and told Satan to get behind Him. He has taken over the situation and Satan listened. God took those things and made great things from them. It has made our church stronger and we pray more that God will have His way with, not our will but His will.

I believe this situation we are in now with this virus, which is hurting our churches and everything else, that God is going to tell Satan to get behind Him and leave His children alone. God will take over again and everything will be OK.

Bloxom Community is thankful for everyone who has taken their time, energy and resources to help restore, repair and support us this past year. We are especially thankful to those who have committed us to prayer and have lifted us up before the Lord. We are blessed to have hosted work and witness teams, ROAMERs and a small group retreat as well as holding our first outdoor revival in the screened in tabernacle. We are looking forward to what God has in store for us in the future.

This year our focus has been on prayer, change and discipleship.

Three wonderful things are beginning to occur.

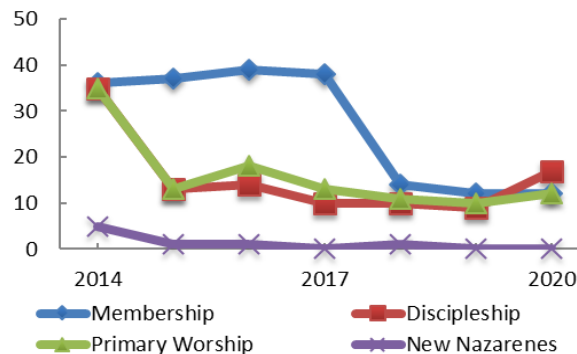

1. A close knit community of believers who support and spur one another on to a closer walk with Jesus.
2. A desire for prayer and discipleship.
3. The conversion of 3 and baptism of one into the body of believers.

We are ever so grateful for the Salvation and Sanctification of believers.

This year has been a blessing to us, we have had eight conversions and three baptisms, one marriage and multiple stories where God has used our church to reach and minister to others.

This is the twelfth year that we have operated our soup kitchen as we continue to partner with other Nazarene churches in our area to feed and minister to Bristol's poor and homeless population. Christ is preached, love is taught and lives are touched by the power of Christ.

This year was a challenge for me and The Branch Church. I left last year's Assembly ready for a great year. Only a few months later being admitted to the Hospital in October with blood clots in my lungs and leg, than in December back in the Hospital with pneumonia. God still allowed us to have a good year. We are looking to God for we know He is doing a new thing.

We are witnessing the faithfulness of God and his people in Chesapeake. New faces are joining our ministries and new leaders are emerging. Locally, CFCN provides financial assistance for families in need, participates in hospital and jail ministries, and supports a food pantry. We also host a community event to support the families of fallen law enforcement officers, collect school supplies to aid a local elementary school, and raise funds for the Alzheimer's Association and Relay For Life. Our support of Alabaster and other Mission Special offerings along with our overpayment of general and district apportionments ensures that our mission to share the love and light of Jesus extends far beyond what we can see in our community.

There has been a lot of our older people who have had physical challenges this year that has prevented them from attending church as they have been used to doing, but we have seen them give God praise and continue to support the church with their testimonies, tithes, giving and serving in different ways. We have also met people who have joined in our Sunday night services from other churches that do not have night services. They have been a blessing to us along with new families or individuals in our morning services, as well.

The Holy Spirits presence with us and God's going with us is the highlight of every year. John 15.5 "Without me you can do nothing." Seeing the Holy Spirit move in people's lives in ways that could not be explained in the natural was great. That is what we call a miracle, we saw a lot of them this year.

This year at Culpeper Hope Church of the Nazarene has been a challenge. One of our board members and servant leaders moved out of the area which seemed to take the wind out of our sails. However, as the church year ended, we came together as a church to dream about our future in Culpeper. We are looking forward to continuing our side door ministries and finding new ways to reach our community for Christ. I would like you to pray with us as we are in a season of restructuring so that we can better meet the needs of the community where God has called us to serve.

As we all have been under the strain of this Covid-19 and a little lost for words sometimes, I was going through some old books and papers of my father-in-law Rev. Raymond Pettit and his wonderful wife Lova. I came across this hand written prayer that she wrote: "Faith enables you to pray before falling asleep like this:" "Lord I give you my cluttered conscious mind, it's fears and failures and successes. Here it is for you to take and hold. Now I give you, my subconscious mind. You know I've no control over the passing patterns of thoughts or dreams I might dream tonight, but you made me, and I will trust you. I go to sleep in your safe keeping. Good Night, Dear Lord"

I serve at a wonderful church that has been without a pastor for several years and had only 9-12 coming to church. Since late summer that number has grown to a high of 50+ and even during the winter months has stayed in the 30-36 range. We have lead 3 to the Lord, paid off our mortgage, added Sunday School classes, worked on the church, and preached a steady diet of holiness to our great people. The church that I am blessed to lead is alive and well with the Lord.

The highlight of the past year was the conversion and re-commitment to Christ of a long-time "rebel". God seeks to draw us to Himself in a myriad of ways; when we don't respond to gentler promptings, God often allows/uses "escalated" circumstances to draw us to seek Him. For this "rebel", life's circumstance, now healed and restored, became his turning point to eternal life..what a DEAL!! Praise GOD.

We have been blessed in so many ways this past year that it is difficult to sum things up in a short highlight, but I will attempt to do so.

We were blessed to construct a 24' x 40' picnic shelter at the rear of our Church parking lot.

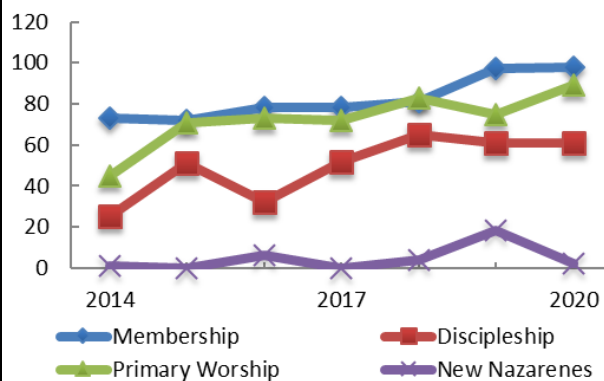

When we began to discuss doing this, we had people who generously offered to purchase the concrete floor and others who together raised the funds to pay for the structure so that it was paid for as it was being built.

We also added a children's commercial play set to replace our older swing set. There's never a week goes by without the children playing and swinging. God has been very Good and Generous to us this year!

We did a Marriage Dinner for couples with one-on-one table. We had more than 50 couples attended. It was a very fancy dinner that was prepared by two professional chefs that are members of our church. For the first time many couples had fine dining. The food was presented beautifully and Our youth did an impeccable job with servicing everyone. But the most important thing of the night was when we ask for each person say something special to their spouse. Each couple was saying beautiful things to each other. Many tears, many words of forgiveness, many reconciliations. One couple said in public, "it is the best night of my marriage". We praise the Lord.

Living a Christian life means we must be letting our light shine all the time. Kathy showed up one Sunday, her testimony was, I invited her to church a year ago, and that she had been sober 3 months. It has been 1 year and God is keeping her sober. This year the Floyd Church has reached out with its music ministry. We set up a stage on third Sunday night's in the parking lot. The young people and the adults have a good time singing and praising God to the community. They have also gone into town and sang Gospel music on the street sidewalks. Looking forward to who God sends this year. To God be the Glory!

We continue to see engagement and leadership from our younger generation and are blessed to see their continued growth in the faith. This has also been a year of pruning for new growth and we trust the Lord for the increase. We rest in his faithfulness.

A few months back we had a young marriage couple join our congregation. When the young couple arrived Patricia was expecting her first baby. Which a month or so later they lost. Even through it was a difficult process she and her husband remained faithful! They never stopped attending church services! She is always there worshipping and glorifying God! Months passed and Patricia and her husband were once again expecting a beautiful baby boy, which she lost again. She went into early labor! But even with all she had to go through with her husband Patricia and Gilberto have remained faithful and continue to attend our church services! We know and we believe that God has a great purpose for everything that we may live as humans! And we are sure that God has something great in store for her family and marriage! We are all in awe of their faithfulness and their love towards God! We ask for your prayer for Patricia and Gilberto so that they may be blessed with the miracle of life! May God bless you all!

Change is difficult for most people. Churches experience pain when things change. The retirement of beloved Pastors who have lovingly and effectively served a local congregation for 25 years brings a level of change that is epic. Salem Fields Community Church has just now experienced that level of pain with the retirement of Co-Pastors Buddy and Gaye Marston. There are very few American Churches of The Nazarene that have seen the kind of massive growth, from 60 to 1400+, that has happened at SFCC under their leadership. They are deeply loved and rightfully so. Countless lives around the World have been touched and changed through their ministry. Because of their faithfulness and God's Blessing, the people of SFCC are still alive and well. They are healing and are believing God for great days of victory and growth in the days ahead. God bless Buddy and Gaye Marston...and...God bless the people of Salem Fields Community Church. We've only just begun!

We are discovering that when things appear to be shaken up, it can also be evidence that the Lord is opening up doors of ministry. This is what He did on Resurrection Sunday, in response to the "believer's praying" (Acts 4), and even in the depths of a dark prison while Paul and Silas were praying and singing (Acts 16). We have been praying, and believe the Lord is opening up some ministry doors, even in the midst of the COVID-19 chaos being left behind. We are also grateful for two great people being recommended to receive their 1st District Ministry License (Tes Peacher and Daniel Guizar)! Praise the Lord!

- 1) Christian Homeschool Co-Op uses our building once a week. Great avenue to reach out to families.
- 2) Youth Group weekly meetings have been growing and reaching many.
- 3) New interest and burden by church leaders to minister to others. Exciting to see people return to church who have been missing, and bringing new people with them through outreach efforts of our laity.

Just prior to the Corona Virus lock down our church began seeking some kind of project we could do together. James 1:27 reminded that the kind of religion God accepts as pure and faultless is this: to look after orphans and widows in their distress. We knew of a widow who's property was in a poor state of repair and began thinking of a way we could all gather to help her out. It was difficult to find a schedule which worked for everyone. As the lockdown was announced, we knew we had found a way to coordinate our schedules! The next Sunday we served God, and the widow by meeting at the widow's house. We spent a Sunday morning raking, repairing, sorting, tossing, and carrying junk to the curb. Instead of a church "service" indoors which neither "served" God or the community, we had a church "service" in which we actually served. We are looking for the next opportunity to serve.

We thank God for all our blessings; the Lord moved throughout the church and kept us united. He blessed our church with a building for worship and prayer. 16 souls surrendered their lives to the Lord. We have had our first youth encounter and we opened a new cell group for the youth. We pray that the Holy Spirit provides us with 40 more souls. 5 cell groups will be opened, we will have 5 encounters, and 5 brothers will be trained and guided through the Master Plan. Values: Be a Church that loves Jesus Christ, a Church that lives in holiness, a Church that loves the mission, a Church that loves each other, a Church of Prayer.

This year we have seen amazing growth in our fellowship as we are looking to get back to the book of Acts. The Lord told me to focus solely on discipleship and creating more of a family atmosphere. This has been extremely beneficial for us as we pursue Christlikeness together. We have been meeting in small groups and in family homes and truly building the relationship we have with each other. It has been freeing for us as a body to stop focusing on doing church and focus on being her.

This has been an amazing and humbling year of ministry. We have seen God use our church in a powerful way to bless our community. During the month of August, we had a weeklong missional endeavor into our community called Best Week Ever. With over 200 volunteers we completed 14 mission projects in our community. Projects included bldg 2 playgrounds in 2 different locations in the city, renovated 2 child protective services mtg rooms for parents and their children, remodeled a home for a well-deserved family, distributed 1,000 snack bags to our homeless population and people in need, a free city mega yard sale where several thousands of items were free to the public, served over 1,700 meals in 3 different locations in the city and much more. Another milestone in our church took place thru our compassionate ministry Hope Distributed. This year we surpassed the distribution of a 1,000,000 lbs of food. We also served over 27,000 individuals. We have been fortunate to see God at work reaching the hearts of people and changing lives. We have been able to celebrate and rejoice with 78 people who have made a confession of faith in our Lord and had the privilege to baptize 19. It has been a humbling year to see God's power on display in such magnificent ways. Each person who opened their heart to Christ is a story of grace, a miracle of transformation that God has allowed me to be a part of.

This year for us has been a beautiful crossroads between the faithfulness of God in the past, and His continued faithfulness as we move into the future. It is impossible not to celebrate the faithfulness of God through His people as we paid off our mortgage this year and are now debt free. We celebrate all those that have sacrificed obediently, but even more, we recognize that God is not done with us. We launched brand new vision to plant a campus of our church in Eastern Rockingham County by February 2021. We are already one church worshipping each Sunday in English and Spanish (Esperanza Viva), but now God is inviting us to be one church in multiple locations across the Shenandoah Valley. There are so many miracles to report, but more than anything, we remember it's all about reaching lost and hopeless people for Christ.

The Children and Teen Departments have participated in three community service projects this year. During the Christmas season they collected shoes and clothing for two different shelters in our area. The Godparent Home for Battered and Abused Ladies and a privately owned Alzheimer's Home for men. In February, they collected personal hygiene items and made gift baskets for a privately owned Nursing Home. They worked many hours gathering all of these items for the needy people in our community. We are so proud of our young people!

Following our church fire last year, we were graciously supported by so many of the District family with financial gifts, offers of resources and especially prayers. We are most grateful! We are also thankful to God for the church family at Hopewell First Baptist Church who have adopted us as one of their own and given us so much encouragement through allowing us the use of their facilities. It is heartwarming to see the body of Christ working together through such enormous challenges to carry on the work of sharing the Gospel. By way of update on our rebuilding progress, we are just now in the stage of developing building plans and conducting site surveys for our new facility. Given the previously booming economy and now the COVID-19 pandemic, it is only realistic for us to expect to be in the new building no earlier than one year from now. Your prayers continue to be needed and as always, are tremendously appreciated.

Since the Coronavirus, and the closing of businesses, including churches, our children and youth department was sent a challenge by our children's director to contact at least 3 individuals in the church. I want to highlight two individuals who accepted this challenge. Carliegh Mccahren a teen, took the challenge seriously and made a connection with one of our elderly ladies and they formed a strong bond and call each other regularly. One of our children, Delanie Frye also accepted the challenge and sends out cards to the elderly and continually receives a card back or a phone call letting her know how much they have appreciated her reaching out to them and praying for them.

15 And how can anyone preach unless they are sent? As it is written: "How beautiful are the feet of those who bring good news!" 2019 was a year of great blessings, we started by praying for the new ones, especially for teenagers who attend to the church without their parents. God responded with his great power in his immense mercy. The parents of four children came to the feet of God. One of them now helps in the local compassion ministry. We still have great challenges with the Teen group and children's group. Every Friday we minister to their lives and only with God's wisdom is it possible to draw them closer to God. Our father is awesome in power; we cannot find any words to describe his greatness. The word of God encourages us because with our God everything is possible, and we will see the power of God one more time. I am grateful to God for his infinite love and mercy.

God has been redirecting our focus from being a Church that ran an Academy to one that seeks to serve and connect with the community in other various ways. This is helping us to be more versatile in ministering to our community. God is showing us new ways to be His hands and feet to those around us. God is doing some amazing things in Louisa – and He is just getting started! At HCF, we continue to seek every opportunity to meet people where they are and introduce them to the grace and peace that is found in our Lord and Savior Jesus Christ. During Thanksgiving HCF partnered with other churches in the community for our 2nd Annual Thanksgiving service attended by about 200 people. We continue to grow our partnership with various local government agencies, schools, and first responders to participate in better resourcing and aiding the “least of these” within our community. We have seen lives beginning to be transformed and chains being broken as God continues to move in the lives of the members and community around us.

We at LFCN are proving that compassion is the to triumph. Compassion at LFCN:

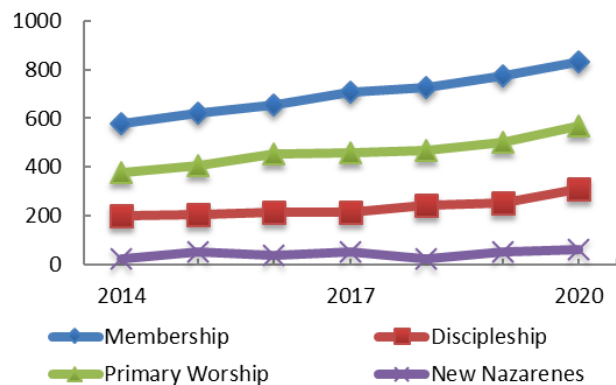

- Our food pantry continues to serve 80+ families each week.
- Our entire church family is focused on one-to-one pastoral care.
- Our people are serving each other and our neighbors.
- Our adult worship, youth worship, children's worship and Celebrate Recovery have all launched online opportunities for all people.
- Prayer has advanced as we understand the promise of 2 Chronicles 7:14.

Compassion is triumphing over our challenges.

Emmanuel Church of the Nazarene continues to persevere! We know a faith that can't be tested, can't be trusted. We believe that intercessory prayer and the holiness message is essential. We always witness to His saving and sanctifying grace. Lives are being changed as we ask the Lord, "Help us find one more." Uncle Buddy Robinson's saying, "Stay Under the Spout Where the Glory Comes Out," is one of our discipleship mottos. We never know who is watching. We never know who is listening. May everything we say or do bring Glory to Jesus!

We are so thankful and give glory to our God for his goodness and faithfulness. This year we have continued developing the Master's Plan and working through small groups.

We have new families and 16 people have been saved, 11 were baptized and 11 became new members of our congregation.

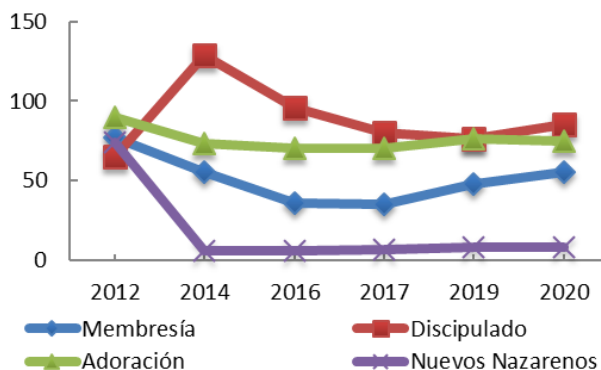

We are grateful that the discipleship program continues to grow and strengthen our members and have a total of 6 teachers that lead our classes every Tuesday.

We are enjoying wonderful Sunday services that honor God and we see how families are bringing friends and family and sharing the Gospel. We ask God for His help to continue reaching those around us and fulfilling His calling.

This year our church participated in a Bible study called "Love Like That" by Dr. Les Parrott III. Throughout the study our congregation was challenged to love like Jesus. We frequently left with sore toes, realizing just how much we needed to grow. On the last night of the study, the Lord sent a lady into our church. She was not like us. She was homeless and needed help. It was our chance to put into practice what we had learned. I am happy to say we passed the test! She left blessed, but probably not nearly as blessed as we were!

Our Christmas program this year was "Tangled in Tinsel" with "The 12 Days of Christmas."  
This was a sing-a-long using adults, teens, and children....we tried to involve as many as possible.  
The singing portion was funny that people in the congregation participated. Best and funniest musical ever!

Celebrate Recovery was launched in September of 2019. Since then we have many long time attenders and other new to church attenders who are committed to keep coming back. One attender said, "I honestly don't know how CR is helping, I just know that it is... A lot." After launching Celebrate Recovery, we then turned our attention to the discipleship process of the church, with this question in mind, if someone walked in and asked to be discipled in the way of Jesus, would what we have in place stand up as we answer to Jesus for this soul? This is a process and we are off to a good start!

We are feeling settled in the church and in the community. We continue to expand our reach into our community by participating in the local ministers association (secretary of board), community food pantry, community clothing closet, Orange County Senior Center, local nursing homes, Orange Community Choir and Band (Board Member) and the High School Fine Arts boosters. These opportunities have shown us how we can serve our community. The Church started a clothing exchange, food distribution, toddler music class at a local nursing home, Wednesday night homework session/bible study, and an ecumenical praise event. We participate in ecumenical prayer events and church services. Orange Church of the Nazarene is showing our community the love of Christ.

One of the key challenges at Portsmouth 1st Church was to somehow nudge the leaders and faithful core group to develop, support and present a ministry that appeals to the current generation/s. Letting go of the past is difficult, but with the initiative and support of the Church Board, a new ministry is shaping up! During this past year we fully remodeled the sanctuary. This included lots of new sheet rock, paint, carpet, lights and chairs. Lots of people stepped up to pay for the various projects. Miraculously, few funds for the projects had to be taken from our bank account. A couple from Kansas offered a matching fund challenge to pay for new padded chairs! Similar work has taken place in the Sunday School facilities and Fellowship Hall. Just part of the turnaround at PFCN is physical. A new spirit of outreach, prayer and discipleship is in the making. To God be the glory!

Through a season of knowing God was in control, but we were uncertain of the direction. The love from the body of Christ was greater, deeper, and faithfully obedient. We lost two great saints this past year, and their absence is greatly missed. Through their legacy within the church, they had been preparing new disciples to step in. We proclaim three gave their hearts to Christ, two publicly declared their faith through baptism, two went to be with the Lord, and a new attendee committed in membership to God and New Life.

Luke 12:22 "I will provide for you. Don't worry." New Life Church stands firmly on the Gospel.

Last year, we were blessed with a beautiful baptistry. We thanked the Lord for the pool, and we praised Him for granting us a great privilege to baptize seven of His wonderful children. The service was held in the sanctuary of our church, as opposed to in a pavilion at a lake one-hour drive away.

Through this report I would like to share the work God has done within the church and in the homes. First, I have observed how the assistance has increased in recent months. Though particularly our worship team has affronted challenges, they have pushed through. They remain in unity and therefore continue to bless the church. I have also seen how the small groups (that take place in houses), has been consistent. We have seen how the Holy Spirit has touched many lives through these small groups. I strongly believe He will continue to do miracles in our church.

God has been so good to us this year. Even through COVID-19, we shouldn't forget that He remains faithful to His promises. We can joyfully shout EBENEZER until this day. We humble our self and give all the Glory and all the Praise to God when sharing that this year God has provided us with the opportunity to Share our blessing with the children of 3 different churches 1 in Honduras and 2 in Nicaragua at Christmas time. We seriously desire to become Jesus hands in countries where Hope. Grace, Love and Salvation is needed.

Jobs For Life is a ministry that seeks to help the unemployed and underemployed find new careers and jobs through biblically based classes. This past year Connecting Pointe has provided mentors, meals for classes and instructors this past year and we also are planning on hosting JFL training classes in the Fall. One special moment for me was to be the speaker at this year's graduation. What an honor to be blessed by the testimonies of the students and to hear of their plans (and jobs!) for the future! One student gave their life to Jesus following one of the classes! We are excited to be a partner with Jobs For Life!

Cross Pointe Church of the Nazarene is an exciting, living, and growing organism influencing each other, our community, and our world for Christ, through an inter-generational format of loving, caring, and sharing. Our desire is to be a holiness community committed to living a life pleasing to the Master. What is then accomplished in our midst is not by our might or by our power, but by the Spirit of God. At Cross Pointe Church of the Nazarene, the Spirit truly makes the difference. Our desire is to know Him fully and make Him known to those around us.

We started pastoring at El Remanente in September 2019. It has been a blessing working at this church. We have seen challenges but also have seen God involved. I'm a new Pastor, and everything is new for me. Being a pastor is not easy but I'm willing to do what God wants me to do. At first when we started, it was my husband, my 3 kids and a few members of the church. For a couple of months we were 15 and that number was not moving. We kept praying and involving the church to keep praying for more souls to come to church. All of a suddenly we started seeing more people coming to our church every Sunday. We now have about 30 to 35 people attending our service every Sunday and of course that number varies. There was a Sunday that we had about 60 people. We have 5 reconciliations already and expecting about 3 baptism this year. Glory be to God!

This is an exciting year for Hope Community. Deb and I began serving the good people of Hope, November 1, 2019, receiving the baton from Pastor Greg and Lynn Norwood who served here for 18 years. We are grateful to build upon the foundation laid by Christ through Pastor Greg. The Lord has given us an area of impact where there are 112,000 souls who have no faith affiliation. Our focus is to take HOPE 'beyond the walls' by developing systems which encourage engagement in the fulfillment of the mission: to make Christ-like disciples through evangelism, education, showing compassion, working for justice, and bearing witness to the kingdom of God (Acts 1:8; 2:42-47).

2019-2020 at Southside Church has been a year of expansion and advancement. God has expanded our territory by adding a new campus in Amelia Virginia, a new Student Ministry Worship Space at our Courthouse Road Campus, a 20,000 sq. ft. Guardian Christian Academy Sports Complex, and has increased our exposure to the community through a new LED digital sign. We have seen 205 come to faith in Jesus and 17 baptized. As God continues to move, even during this difficult time for our community and world due to Covid-19; we have advanced in new digital ways. While we are social distancing and engaging in homes we look forward to a day when we can baptize new believers at our campuses.

Southside Church-Amelia Campus held the first interest meeting January 2019. Then began a year of promotion, small group meetings, and team building to open the first Nazarene Church in Amelia County. Four pre-launch services were held in November & December. On January 5, 2020 the church launched with 54 in attendance. For the first 11 weeks this new start campus averaged 33 in worship. During which time one person accepted Christ and three rededicated their lives. We are excited about what God has done, is doing, and will do to build His church in Amelia. I thank our leadership team, Southside Church, and the Virginia District for their partnership, support, and prayers.

I have been incredibly blessed this year to see new leaders rise to the challenge of serving Jesus through the local church. We have seen new people step in as small group leaders, student ministry sponsors, Celebrate Recovery step study leaders, greeters, and a new worship leader and many new worship team members. In the church we often feel like we never have enough help, but I want to thank God for the people who are serving for the first time and the many who have stepped into larger ministry roles. As they grow in their relationship with Jesus they can't help but make other disciples, impact families, and transform the world around them. Praise Jesus!

Woodville Church continues to be a beacon of hope in the community. Several new members came as a result of our ministry outreach in the Church Hill community. Our church is adept at attracting the disenfranchised, the hurting and the wounded. Consequently, we've held 2 baptisms for new believers. Our Nursery continues to thrive and serves as a catalyst to attract new people to our church. Enrollment has been at maximum capacity all year, due in large part to our partnership with Richmond Public Schools.

We were working with Bible cells and we encouraged the new ones who visit the groups to attend the church, since some of them still did not attend worship on Sundays.

We pray every weekend at 6:00 am. Looking for the covering and the Anointing of the Holy Spirit.

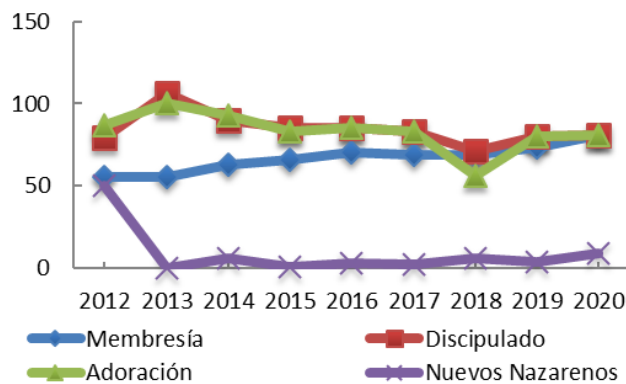

We have had activities with the children. We have experienced that through them the parents end up attending church. We encourage young people to participate and become more involved in church activities.

For the glory of God there were 3 baptisms and 6 brothers received into church membership. They are regularly attenders the service.

This year at East Gate, we shared a new vision with the church called the Compassion Campaign. This campaign has three phases. Phase 1: We opened a Compassion Center to feed hungry people in our community through our Food Pantry in partnership with Feeding America. We also began a Celebrate Recovery Ministry. Phase 2: We remodeled our Christian Education Center, and we are starting a Pre-School to reach our community. Phase 3: We are eliminating all debt in order to be more missional, locally and globally.

God has richly blessed our church over the last year in many areas. I wanted to highlight the growth of our Wednesday evening discipleship and food ministries. God pressed on our hearts to start a weekly "Family Dinner" for our congregation and community. This quickly grew which made it difficult to continue providing enough food. God has continually provided the workers and the harvest and now we are close to averaging 75 people on Wednesday night. Most of these are unique from our regular congregation and have started attending our post-meal Bible Studies. God has developed a whole new congregation out of a ministry that I thought we were going to have to cancel! We look forward to His continued blessings!

We have been pushed out of our comfort zone really aggressively these last weeks of the church year. We have engaged in daily online connections, live streamed worship services, as well as provided an online giving platform. God has blessed us in ways beyond our imagination. What momentarily seemed like a huge obstacle, God has once again shown himself to be greater than our fear. God is good!

The church has been able to minister to the South East part of Roanoke for many years, as Riverdale COTN and as Grandview Heights COTN. Throughout those years many lives have been changed and many victories won. No doubt there are people who are still serving God today because of the ministry of Grandview Heights. However, like so many churches, it has not been a healthy church for many years. It is our hope that as the church building is turned over to the Salem Living Well Church that a healthy and vibrant ministry will develop to reach the Riverdale community.

During November through March our emphasis was a need to pray until God answers. During those weeks we never went a week without an answered prayer. Each Sunday we heard testimonies of how God was working during a very difficult time for our church. We experienced many psychical and spiritual victories!

God continues to use our Bridge to Hope Food Pantry to create bridges to hope in our community. Now working towards its third year in existence (coming up in November 2020), we are finally seeing people reach out beyond asking for physical food and opening up to the work of the Holy Spirit in their lives. We have found more people asking for prayer and even some coming to worship the Lord with us on Sunday's. We look forward to seeing how God will continue to use this part of RCCN's ministry in the years to come.

This has been a year of Revival for us. God has been so near in our services and souls have come to God, Baptisms been a highlight of many Worship services, Members taken in and doors for a new venue opened.

We have been given the opportunity to open another campus in a very troubled and broken neighborhood of Roanoke. Our Care Pastor Steve Roberson will be leading this new Venue and a dedicated group of Members from Living Well Church are committed to joining the team there.

In 2018 we experience tremendous growth within the church for which we are grateful. While our 2019 numbers have leveled off for the present time, we trust that our obedience will produce future growth. Through discipleship, compassionate ministries and evangelism our community will know about the saving grace of Jesus Christ and accept His love.

In December of this year, Grace and Peace decisively chose to change venue and format and restart as a home church that focused on discipleship and missions for a season. We experienced an immediate uptick in attendance with people visiting our home who would not have otherwise visited the church. We committed to a monthly local mission function. We are pleased to report that over 15% of our intake of tithes and offerings went out to support missions in various forms.

Friday Night Monthly Events for the Youth in our neighborhood! We had 8 children accept the Lord at these events!

We continued to work with the Valley Mission a block from our church. We helped serve meals, donated boxes of Personal Hygiene items as well. Our clothing ministry "Garments of Grace" was open once a month for 4 hours each time, to allow people to come in to our church and select 5 items per person off of our clothing racks. We have them register each time they come. Many of these people are also staying at the mission. Usually over 30 people come each time we are open.

Hello Pastors and leaders! Our church this year has 21 members, 4 conversions and 7 received with a profession of faith. It has been difficult it has not been an easy task, since Hispanics are a little difficult in this area due to their religious beliefs learned in their countries. We ask that you continue to pray for Luz y Vida! We are a small congregation that wants to grow. We want to bring the gospel to all Hispanics in Stephens City and Winchester! We want people to be saved, we want our church to be filled and everyone to come to the knowledge of Christ! It is not an easy task, we cannot do it alone, we have to be united, and we need help and prayer! There is a lot of opposition from the enemy, but we are willing to continue serving by fighting, loving the Lord with all our hearts and souls. Respectfully presented in prayer.

From June 3-6, 2019, 3 youth and 6 adults journeyed to Lynch, KY for a mission trip to help the Meridzo Ministries Center. We were able to not only visit an area of our country that was devastated by a declining economy and rampant poverty, but also able to help in renovating a building to be used to house 6 women coming out of the KY penal system and be a part of their rehabilitation into society. It was an exhausting week, but it was also encouraging to know that with God in this ministry, nothing is impossible!

God has been our strength in this year. We have overcome because God has fought our battles and has giving us the Victory! We are truly grateful to God for our Youth leaders. The favor of God has been with us and we have seen how the youth ministry have grown. Many of the youth have giving their live to Jesus Christ and are committed to live a holy life. It's amazing to see how willing they are to serve, grow, and love one another. They have demonstrated that there's no boundaries in serving the Lord with their example. They are a motivation to our older congregation in an example of a servant's heart.

Verona is not the most exciting town in Virginia. There is no town center. There is no High School. There isn't even a park. No parade. No festival. So we decided to do something to build some community enthusiasm. There is a big evergreen in front of the fire station where we meet for worship. At Christmas we decorated that tree with lights and then hosted a community Christmas tree lighting! We even made memorial ornaments guests could write names of lost loved ones, or prayers, or whatever they wanted on and then put them on the tree. We had hot chocolate and cookies for everyone and even Santa came! We had a great turn out and a fun time getting to know our neighbors better and building some community spirit together. We are already planning for next year.

We started the year off with a new NMI President who had big shoes to fill. God has moved in our mission outlook and has started to stir hearts to be in tune with His heart. At the Lord's leading our NMI President started having every third Sunday during Sunday School time as our NMI time. He started a breakfast on these Sundays as we learn about what God is doing in the mission field. We have averaged 27 people over the last year become more interested in how we can become mission minded. Please pray that many will be moved with compassion to be more Kingdom mission minded as we continue to seek and serve the Lord.

Establishing a Mission. By reading Article 129.1 of the Church of the Nazarene's Manual we are made aware that it is the responsibility of the church board and the pastor to look after the interests of the local church. There are three elements that we will develop based on this responsibility as Vision within the Mission. 1) Intentional Comprehensive Discipleship 2) Family Unity and 3) Leadership in the Local Church. We need to focus these three areas for church growth and exercise the great commission of making Christ-like disciples in the multicultural groups we have, baptizing and teaching them to obey Christ in everything according to Matthew 28: 18- 20. The need for leadership is essential in this mission to achieve solid and effective growth. The intention is that each leader wants to change his world and extend the kingdom of God by being obedient to biblical principles. We want to form a church that: Influence, Mobilize, Change, Organize, Manage and Supervise and Lead helping others to succeed and fulfill God's plan leading them to spiritual maturity.

This year has been challenging and exciting for us all as we have known that ministry would be changing for the body of Christ at VB1. We prayerfully planned and committed to pushing beyond ourselves in "making Christlike disciples" both locally and globally. One of which was the plan to begin live presentations of our Sunday services beginning in the Fall of 2020, however the Corona virus forced us to begin FB live in March. As a result, we are hearing from friends, family, and strangers participating in our services all over the world. They are giving testimony to how their lives are being changed due to the virus. May we continue bearing much fruit as we remain in Christ and He in us!

Our year at CFC is highlighted by our engagement with the community. Our people serve in high numbers particularly with a ministry called WARM (Waynesboro Area Refuge Ministry). This ministry serves the homeless in Waynesboro. Our people collected food, served over 30 people for 6-8 weeks and we hosted them overnight one week. Our missions team is outstanding and our people follow well.

In August we hosted a ministry team from ENC. The goal of this visit was to create spiritual inroads in Williamsburg. To do this we combined fun activities (like a video scavenger hunt in Colonial Williamsburg), with serving, and significant times of prayer. We were privileged to partner with members of Williamsburg Iglesia, Newport News, White Stone, and Hampton Puerta De Salvacion during the week. Several youth came to our ministry the first time that week and continue to be a part of our group. Crisis Care Kits were packed and community clean-up was done. But the highlight of the week was the outdoor prayer stations set up in Williamsburg. For over 90 minutes our groups prayed the Lord's Prayer over each other, our families, our churches, and the mission fields God is calling all of us to.

We have had a year full of blessings, praying and encouraging each person to seek an intimate relationship with God and remain in His presence. We are very grateful to God for what He is doing in our City. This year the Lord has blessed us, we are an Organized Church. Also adding to its kingdom 50 people who accepted Christ as their Savior, 10 baptized, we have home groups of women, men, youth and lay servants' education. We are working with the "Master's Plan", God is doing a wonderful things through this plan; attendance is 85-120 each week. Plans for the future: Open more home groups, prepare leaders, start compassionate ministry, win 60 souls for Christ. Prepare to start a worship band, buy a van for the Church, and buy our own temple. Values: Be a church that loves Jesus Christ, Be a Church that lives in holiness, Be a church that loves the mission, Be a church that loves itself, Be a church of prayer.

God is really moving in and throughout the W1Naz family. A bitter-sweet highlight for the year would be this current crisis of the Pandemic that we are all experiencing. I have been blessed and amazed as a pastor to watch our church family continue to spiritually grow through this as everyone is working very hard and creatively to stay connected and link with their church family. The W1Naz family is very caring and dedicated to making sure those that have needs are taken care of, prayed for, and so on. Their love and encouragement has truly been a blessing to me. Another area of throughout this pandemic is the W1Naz family commitment to the giving of God's mission. To God be the glory.

This past year has been a blessing. We received one new child of God and they were baptized. Our Youth (Revolution) Group has grown stronger together and we have seen the 2019 High School graduates begin a Young Adult Ministry. Our Worship Team also has expanded to include new people in the congregation. We also watched God do a miracle in our finances. We started the year expecting to be about \$23,000 short of our expected expenses. That being said, God provided us with fewer expenses! We ended the church year only \$2,100 short of breaking even!!

Our church was part of an evangelism move this year through three nights of revival under a tent inviting the entire community to this event. The church had a new experience to work as a team towards the goal of making the church known in the community and having the clear vision of reaching new souls for Christ. During these three days of revival, several people received encouragement, some others reconciled their lives with the Lord and we had new visits and we had the support of other Hispanic churches within the Virginia district. This was a blessing from God to know that He supports us and is bringing spiritual growth among his people.

We are excited about a new family that has attended several services this year. They are getting more involved in the church and we are reaching out to keep connected during this time. Our Valentine's Service we to turns telling others how each person meant something special to the one speaking. It was an incredible family atmosphere and great ministry time. Community responders, nurses, doctors, and so many have shown great love during Covid-19. We are reaching out to our community with social media, phone calls, and also phone bible study opportunities. We see our giving continue and are very thankful as we prepare to reopen church physically we know that expanded ministry will take place. To God the Glory!

# **Report of the District Superintendent Virginia District Church of the Nazarene J. Phillip Fuller, D. Min. June 1, 2020**

## **I Don't Want to Go Back**

"I don't want to go back to Church." I never thought I would say such a thing, but I am serious. I do not want to go back if going back means *status quo*. An every-hundred-year pandemic overwhelmed our minds, our hearts and our sanctuaries. We've learned new things, such as coronavirus, flattening the curve, and social distancing. We've learned about facemasks and 20-second handwashing. We've experienced death and sadness. We seem certain to experience an economic recession and possibly a depression. Worst of all we're experiencing the loss of hope. Gatherings of more than 10 people were banned in an effort to reduce the spread of the virus. We were left asking, "What happens to the church? How can we be the church if we cannot gather in the way we've done for centuries?" And yet, look at the church now: Fully engaged in mission, dispensing hope, alive and well living into a season of enlarged territory, responsibility and challenge. By some measures the church is growing faster than ever.<sup>1</sup>

A high school friend of mine, a well-established, mid-west attorney regularly posts, "That's it! Game over!" He is convinced that life, as he knew, loved and enjoyed it, is over. He may be right. Nevertheless, as I said to him in a recent post around Easter, "No matter what happens, **hope** is not cancelled!"

I believe this time is one of the church's finest hours! Despite unprecedented changes the church pressed into mission, making Christlike disciples in Virginia and beyond. Leaders stepped forward with creativity, technologies were readily embraced, with hope through the person of Jesus Christ, the Son of the living God revealed to us by His Spirit.

## **Hope and Action Lead the Way**

The message of hope is always relevant in times of turmoil, confusion and in the loss of trusted and reliable methods. In such circumstances a compass pointing to true north is a much more valuable tool than an outdated road map. Gratefully our mission (more than our methods) keeps us focused and on target. Christ, the true north star, guides our steps. He came to "seek and to save that which was lost." Luke 19:10. We are not hindered by the storm, because we are guided by our mission. Frankly, storms clarify the mission more quickly than most any other thing. Churches are making quicker decisions. Decision structures are less cumbersome.

God is actively using our churches. Many churches host Celebrate Recovery gatherings, thousands of homes have been blessed with food from our pantries, clothed from our closets, and blessed by our generosity. The Church not only speaks hope but acts with hope giving clarity. Churches care for the sick and the families of the dying, offering words of comfort to the hurting. Examples of Good Samaritans are not the exception but the rule. And Pastors

<sup>1</sup> <https://careynieuwhof.com/half-of-all-churches-are-instantly-growing-heres-why-and-heres-what-to-do/> in his blog, Carrie Nieuwhof writes: "49% of all churches are growing right now. A month earlier, before the pandemic hit the West, the statistic would have been that between 8-15% of all churches were growing. So literally in 30 days, we've moved from a tiny percentage of churches growing to virtually half of all church growing. What's even more surprising is that the growth trends hold up in ever church size category."

creatively know that touching lives can even mean something as simple as pulling up to a person's home, in order to wave and pray from the socially distant driver's seat, or creating a 90-second encouragement video 50 days in a row, or planning an evening prayer gathering where hundreds gather.

Local Churches have been innovative, creative, and report these highlights:

- 1517 conversions to the Christian faith. 87 of our 99 reporting congregations had at least one person they recognize in this journey to faith.
- 449 persons were baptized this year. During prior fiscal year, which lasted only 11 month we celebrated 100 more baptisms. Sadly 38 (40%) of our churches did not experience even one baptism. Reminds me that for many churches the best solution to many of their problems would include 3-5 baptisms in a year's time.
- 507 New members of the Church of the Nazarene which represents 3.5% growth of our overall membership number. Forty percent of our churches did not receive one new member. Imagine with me what could have been. Praise God that adding total gains, transfers and loses, we report a 1% growth in overall membership.
- Five New Ministries:
  - Although we officially closed one ministry (Dulles Family Life) we are glad to recognize that God is doing new things (We thank Gary O'Shell).
  - Southside Amelia Campus Church – A ministry partnership between Southside and the District (We welcome Wayne and Carol Lynch to the pastoral leadership role)
  - Living Well @ Riverdale – Our Grandview Heights ministry closed, holding its last service on Easter 2020. A new ministry is being birthed in the facilities in partnership with our Living Well Church in Salem.
  - Chesapeake Iglesia is a dream in the heart of Renacer con Cristo and has already held Bible studies and trusting God for the future.
  - Norfolk Calvary re-start in a partnership with Virginia Beach First.
  - Smithfield Re-start where we own a building but do not have an effective present ministry there now. Praying to establish ministry there soon.
- Several of our Churches have walked through significant transitions this year, including Salem Fields Community Church, Tidewater Central, Norfolk Calvary, Portsmouth, Leesburg, Richmond Connecting Pointe, Virginia Beach El Shaddai, Richmond Hope Community, Dinwiddie, Richmond El Remanente. Hampton sold its facilities to Puerta de Salvación closing at the beginning of the pandemic allowing Hampton Church to continue as a house church model, and freeing Puerta de Salvación to enlarge its ministry in Hampton.
- Our years of Church planting produced the fruit of four new fully organized churches in Williamsburg, Lorton, Salem and Woodstock.

### **Studies and Credentialing**

Brad Billet, Steve Guizar and Rigoberto Acosta and their respective teams deserve tremendous praise for the way they shepherd our ministerial students. This year we mentored 85 or more persons through the process of ministerial credentials. At least 22 persons started into the ministerial course of study by registering with the Studies Board this year, and we are refining and improving our relationship with Nazarene Bible College, our District Training Center and our Instituto Teologico Nazareno for the absolutely best possible service to the church and to our students in ministerial preparation. We celebrate all those who have reached a recommendation for ordination, the renewal of their district license and those who will for the first time receive their district license this year.

## **Encouragement**

We (Rigoberto Acosta, George Stevenson and I) have visited nearly all of our churches in some form or fashion this year. We preached. We encouraged. We conducted 16 church/pastoral review. We met with church boards and shared many prayers with pastoral leaders across this great district. Ministry in local churches is difficult. When pastors feel as if they are all alone the work becomes doubly difficult. We do our best to offer a presence that helps pastors from feeling that they are alone in this work. Thank God we are in this together. As a district family we asked churches to report conversions and baptisms each month. We prayed asking God to show us where to launch new ministries. We promoted ministries for children and youth, such as quizzing, camps and retreats. This year's Teen Winter Retreat was a highlight of a spiritually focused weekend with tremendous kudos to the NYI Leadership for pulling off such a major event with such spiritual poise. We encouraged peer-to-peer learning in our Teaching Church gatherings (thank you Adrian Mills and Camelot Shuff). Our Zone Pastor's Huddles offered resources, training and connections. Our Ministry Team Retreat had the largest attendance in 17 years with special thanks to Dr. Ron Blake and Brian Arner guests at our retreat. We established three important new developments once the pandemic hit us: (1) Touching Every Pastor's Home with the help of five retired pastoral couples: Mike & Sue Brown, Gary & Susan Smith, Rigoberto & Martha Acosta, George & Glorice Stevenson, Bill & Jean Dillon so that every pastor would receive a personal, supportive and prayerful phone call every week. (2) We started the COVID HOPE FUND seeded initially with \$25,000 to provide for our pastors if and when financial hardships ensued; and (3) nearly every Thursday HOPE HAPPENS Zoom meetings with guests from near and far who shared with us about the ways the church sharing hope, experiencing hope and acting with hope in our hearts.

With the help of God, I have attempted my very best to "build morale, provide motivation, supply management and method assistance, and to organize and encourage the organization of new churches and missions everywhere."<sup>2</sup> I recognize that I cannot do this work alone.

## **Gratitude for Amazing DRC Team Members**

Richard & Ginger Higginson retiring after 29 years at the Virginia Nazarene Retreat Center; George and Glorice Stevenson; Rigoberto and Martha Acosta; Todd Kern; Jacquie Gomez; Cheri Sheridan; Cindy Estrada; and Camp Manager Mark Hardy. I just cannot imagine doing the work of the district without them. My heart soars with gratitude for the way they are committed to our work together. Thank you!

## **Thanks to Tremendous Ministry Leaders:**

These leaders serve on the Advisory Board, or lead various district ministries: SDMI Chair Camelot Shuff, NMI President Charlotte Holter, NYI President Jerry Varner, Bill Dillon, Brad Billet, Steve Guizar, Marlon King, Greg Norwood, Joyce Grambo, Bucky Wince, Lynn Riddle, Charles Tillman, Mark Brown, Mike Hancock, Annette Dickey, Sue Brown, Mike Pittman, Dianne Tolliver, Doug Fry, Tracy Spaur, Sam Montanez, Stephen Willis, and Steve Guizar. I'm privileged to work with these great leaders for an additional year. Other Board and Committee Members, beyond those listed here, including instructors, mentors, directors of camps, retreats and many others have invested so much for the cause of Christ. A grateful district says, "Thank you!"

## Family

I'm grateful to God for my family, for Cheryl's love and support, and for the blessings God has brought to our family in undeserved ways. Jon, Laura and Arabella bless us greatly and we pray for God's very best in them, for them and through them to others.

## In the Worst and the Best of Times

My friend David Bowser recently shared the story of Sir Robert Shirley Baronet:

"Sir Robert Shirley was a wealthy patron responsible for the construction of the Staunton Harold Church. His desire was to have a church erected during a time when Oliver Cromwell had exerted his cruel authority over the churches throughout England. His decision to invest in the construction of the church over Oliver Cromwell's forceful desire for him to finance the war effort eventually cost Shirley his life at age 27 while incarcerated in London Tower. Were it not for an inscription over the door of the main entrance to Staunton Harold Church, Shirley would be a forgotten character in history. The inscription read,"<sup>3</sup>

*In the years 1653 when all things sacred were throughout ye Nation either demolished or profaned, Sir Robert Shirley Baronet, founded this church, whose singular praise it is to have done the best things in ye worst times and hoped them in the most calamitous.*<sup>4</sup>

The history of Sir Robert Shirley forever says of him that he hoped for the best things "in the most calamitous" of times, and he, did "the best of things in the worst of times." Hope? Yes! And action, too!

I don't want to go back to Church if going back means a return to *status quo*. Once you learn to be the best of things in the worst of times you want to be the best of things at all times. Pastors, lay leaders, members, and friends, I'm grateful for you, and that with God's help, pandemic or not, we are living in one of the church's finest hours.

For Others and for HIS Glory,

J. Phillip Fuller

## 2019-2020 Nazarene Missions International (NMI) District President's Report

Dr. Fuller, and members of our unified gathering I bring you my fifth report as District NMI President of the great Virginia District Church of the Nazarene.

What is perfect vision? 20/20 is good vision. It's a standardized measurement of how you compare to the average visual acuity. What 20/20 means is that you can clearly see, on a distance of 20 feet, what the "average" person sees at 20 feet. An ophthalmologist who prescribes tools for helping people see and getting their vision close to 20/20 put it this way. "Nothing is more rewarding than seeing the look on the face of a patient as they realize how much better the world appears with clarity."

Here we are in 2020! What kind of vision do you have? Do you have clarity for the future? I'm certain that most did not have a vision of seeing the pandemic we are currently experiencing, and now that it is here, how are you viewing it?

Philippians 4:8 says "Position ourselves to see. Stop looking at the wrong things and start looking at the right things. Resist the distractions." Don't let COVID-19 distract you from the many ways to stay connected spiritually, and remember that NMI and the global church is still at God's business. Lola Brickey, Global NMI Director, said "We are one body working together to make Christlike disciples in the nations." We still are. Virginia District NMI is also about God's business.

Some outstanding highlights of this year include:

- 5.55% (\$876,324) was given toward World Evangelism Fund (WEF). Praise be to God! The work of NMI continues!
- \$28,145.25 was given towards Nazarene Compassion Ministries Child Sponsorship by Virginia churches.
- \$10,090.78 provided support for World Mission Broadcast.
- Alabaster offerings amounted to \$36,715.85.
- Two scholarships were awarded to our youth to go on a Work and Witness project.
- Many churches participated in Faith Promise giving and reported 'above and beyond' results.
- Two Children's Missions *Jamborees* were planned with our Links missionaries telling their story of serving on the Mission field. This is becoming an annual event that gives our children opportunities to hear and learn from *live* missionaries on the field.
- A total of \$36,747.36 was given towards Nazarene Compassionate Ministries projects.
- \$11,630 was collected for the Jesus Film Project.
- A district Work and Witness trip to Africa Nazarene University was planned for July but is now scheduled for June, 2021.

Virginia District Nazarene Missions International has always risen to the universal challenge of reaching the world for Christ by their giving. You are generous and open-hearted! Thank you!

Those who serve with me on the Virginia District NMI Council are exceptional! It is your behind-the-scenes work for which I am thankful, especially in all you do to help me advocate for our mission purpose.

To say that there are challenges ahead is an understatement. The practices that this pandemic cannot touch are **praying** for our lost world, **giving** to WEF and Alabaster, **communicating, conversing with, and caring** for our Links missionaries, and **telling** our youth and children about the mission of the church. We STILL need to be the church. A. W. Tozer said, *“What we need very badly these days is a company of Christians who are prepared to trust God as completely now as they know they must do at the last day. For each of us the time is coming when we shall have nothing but God. Health and wealth and friends and hiding places will be swept away, and we shall have only God. To the man of pseudo faith that is a terrifying thought, but to real faith it is one of the most comforting thoughts the heart can entertain.”*

That is a promise! We have God as our assurance. If he promises this, *and he does*, we can press on and be the church to a world that needs Him more than ever. I encourage you to continue to keep doing the phenomenal mission work you do. Find creative ways to share LINKS with your church. Take advantage of our virtual training sessions we will offer throughout the year. Encourage and take advantage of opportunities to show our youth and children what missions is all about. Get involved in Nazarene Compassionate Ministries projects. Throughout this year we are encouraging Child Sponsorship on the Virginia District.

During the Great Depression, General Superintendent J. G. Morrison kept Nazarene Missions alive with his plea to Nazarenes, “Can’t you do just a little bit more?” The church responded with overwhelming results. The question has never been more relevant than what we are facing today. Can’t we do just a little bit more as we work to connect local churches and Nazarene missionaries?

With assurance and gratefulness,  
Charlotte P. Holter  
Virginia District NMI President

## **2019-2020 Sunday School and Discipleship Ministries International (SDMI) District President's Report**

Dr. Sunberg, Dr. Fuller, Pastors, leaders and members of the VA Churches of the Nazarene:

Your VA District SDMI has been hard at work this year. Our goal at the onset of the year was put action to the direction where God has been leading us as we have had a few years of asking some pretty pointed questions. I personally was asking the Lord, if someone walked into my local church and wanted to meet Jesus and be discipled, would I trust that the community, programs, etc. that were in place lead this on this journey well? Then from a district level, does the VA District SDMI significantly impact in efficient and effective ways the discipleship efforts of the local church? If our answer was no, then what gaps can we seek to bridge for the local church to help shore up the path of discipleship in their context.

Scott Rainey, the new SDMI Global Ministry Director, articulated this journey of grace which is the framework of discipleship for the Church of the Nazarene. We understand that as God leads us on our journey to Himself, He does so through Prevenient Grace, Saving Grace, and Sanctifying Grace. This journey that each person is on is joined by others, by the local church, by the VA District SDMI with intentional action that enables and encourages their drawing closer to Jesus.

With this framework in mind, your VA District SDMI Council invited Dianne Tolliver to help guide us through the plethora of ideas and narrow some action steps so that we can work on "Bridges" to and for the local churches. These bridges will enable churches who may have gaps to bridge the gap with resources, leadership training, and events. For instance, with regard to saving grace, we already provide camps whose sole purpose is to give opportunity for souls to come to Jesus with deeper commitment and increased surrender. Below is a score card for the next three years that will serve as an example of some of the things that we hope to continue and initiate in order for the Journey of Grace in our local churches to be a well-lit, oft traveled path to Jesus with bridges, that undergird their efforts, and synergy to strengthen their steps.

## VA NYI President's Report 2020

I grew up in very small church just a few blocks from the Delaware Bay in the town of Cape May, New Jersey. My dad was the pastor there and a more capable, knowledgeable pastor I have yet to meet. His sermons—averaging 45 minutes in length—were always chockful of insights, wisdom, and truth nuggets I'm afraid I couldn't fully appreciate at the time.

As a young boy, I recall Mr. Faith (yes, his actual name) at the piano and my dad leading the music. He was, after all, much like Dick Van Dyke in "Mary Poppins" playing his one-man band. I learned a ton about ministry from my dad who still pastors to this day. However, one of the greatest truths I think I've ever learned from him is this: "Nothing of eternal significance happens apart from prayer."

The fact that you and I as children of God have instant, ongoing, intimate, and personal access to the God of the universe and the Lover of our souls is...to put it mildly...flabbergasting. If we were to fully appreciate that any and all details of every situation we can possibly face (or are currently facing) are completely laid bare before the One who sees it all, knows it all, and holds it all...well, I'm fairly certain we'd live radically different lives than we do most days.

The past year as VA NYI President has been so very gratifying. In the summer of 2019, we had 2 bus loads of students and leaders gather with thousands of others at NYC2019 in Phoenix, AZ. NYC is always a life-altering event and this one was no exception. Also last summer, we held our first "UltraCamp" and saw a nearly camp capacity crowd of students and leaders show up! Our first Young Adult UltraCamp weekend was a raging success and each of the 40 who came left as living advertisements to the effectiveness and poignancy of the weekend. We watched so many students gather for FOL and celebrate the fact that God is a gift-giver and our gifts find their purpose when they are submitted back to Him for His use and His glory. We saw hundreds of students and leaders come together in Harrisonburg for Winter Retreat 2020.

And then...Corona. Plans changed quickly and events/trips that had been scheduled long ago seemed to vaporize right in front of us. As you're well aware, we're still in the midst of this pandemic and still navigating these new waters. However, God is faithful and will see us through!

As it became clear that our summer plans would need to change, I felt in my gut that we can **and should** still hold a VA NYI Convention. That will be happening via YouTube on Saturday June 27<sup>th</sup> at 10 a.m. Please make every effort to be a part of it and hear about all that God is doing! We'll have worship music, interaction, and access to ministry reports! Our special guest speaker, Jim Chapman will join us as well! We plan on keeping our time to around an hour, so be sure to be a part of it!

I need to honor some people who have given tirelessly and often invisibly to the work of God's Kingdom here in VA this past year.

I want to honor **Jeffrey Hernandez**, our NYI Vice President. I have called Jeff our (M)VP and he most certainly is! Jeff sees things differently than I do and because of that, I'm always challenged and encouraged by his investment in VA NYI.

I want to honor **Tina Nelson**, our NYI Secretary. Tina handles so much effortlessly and is in many ways the backbone what so much of what we do in VA NYI. I can't say enough about how much I appreciate her hard work and grace.

I want to honor **Christy Marshall**, our NYI Treasurer. Anyone who knows me knows I have a strong allergy to numbers and so I really esteem all that Christy brings to the team in keeping our numbers accurate and on track!

I want to honor **Tim Sluss**, our NYI Communications Director. Tim has taken our social media presence, website, and overall communication efforts up several notches! I know that when I ask Tim to handle something, he'll do it and do it with excellence!

I want to honor our entire NYI Council. They have taken on such an important task in guiding this NYI family over this past year and I can't say enough about how much I love the time I get to spend with each of them. The fact that each of them have graciously agreed to continue to yet another year of ministry is just a testimony of their desire for God to use them in young people's lives! Each of them have been a tremendous blessing to me and to so many!

I want to honor our Winter Retreat 2020 Directors. They are: **Jonny & Carroll Bailey** (Program Directors), **Ben Bailey** (Excursions Director), Tina Nelson & Christy Marshall (Registration/Housing Directors), **Olivia Michael** (On-site/Logistics/Volunteer Coordinating Director), and Tim Sluss (Promo/Communications Director). When I came to the Council with the idea of "sharing the load" of Winter Retreat among several directors instead of just one, I couldn't have guessed it would turn out as wonderfully as it has. I've heard over and over that "this was the best winter retreat we've ever done." And I can't miss the chance to officially thank **Pastor Adrian Mills**, Olivia Michael, and the family at Harrisonburg First for their incredible hospitality! Also big thanks to Royal Company for coming to lead us in worship as well as Chris Holcomb, our special guest speaker. ALL Directors quickly and gladly agreed to serve once again for Winter Retreat 2021 and that planning is already underway!

I want to honor **Bertha Cruz Osorio** for her leadership in both the Young Adult weekend camp and the UltraCamp for students. Bertha has been an example of strength, creativity, and teamwork for so many and these events were what they were because of her and Jeffrey's efforts. I believe the UltraCamp has an incredibly bright future on the VA District! \*You can read below Jeff's report for UltraCamp.

I want to honor **Chris Osorio** for his work in helping to lead UltraBand. This group of young people have been a tremendous blessing on so many levels and I'm especially grateful for their desire to engage and include even more students! Check out website [www.virginianyi.com](http://www.virginianyi.com) for more info on not just UltraBand but so much of what I have shared here in this report!

Our theme for VA NYI Convention this year is "1More" and I believe it's a fitting mantra for us as we look to the future. It's easy to get overwhelmed by the reality around us. But the life of a fully surrendered follower of Jesus simply says "one more..." **One more** step in His direction. **One more** act of humble service to our neighbor. **One more** conversation where we share the love of Jesus with those He brings our way. **One more** prayer we pray for those in need. **One more** risk we take to be the answer to that prayer. **One more** day of surrender to His leading. And **One more** soul ushered into a love affair with Jesus because we live that way.

***\*If you're an NYI delegate for convention, this year, PLEASE be sure to register via our website! We have lots of information to send you, but need you to be signed up with your current/correct email address. Thank you!***

If you'd like to hear more about "1More", then please join us on June 27, 2020 at 10am on YouTube. The channel is "Virginia NYI".

And as we move forward into what God has planned next for NYI, I come back to my dad's sage advice: "Nothing of eternal significance happens apart from prayer." Would you join us as we pray for the next generation of Jesus followers? Would you dare to ask God boldly for more workers in His harvest field? Would you pray for the NYI Council and all they are endeavoring to accomplish for His glory? Would you pray that Jesus alone would be the center of all we do and that God His grace "one more" would come to salvation?

Speaking of "one more", I have one more year before the role of NYI President is up for election. I trust God's direction and the desire of the NYI delegates, so until then I will commit to serve our great district with God's help and the amazing NYI Council! Thank you so much for the privilege of serving!

Respectfully submitted,

Rev. Jerry Varner  
VA NYI President

## **NYI UltraCamp Report**

In 2019, we embarked on an awesome vision to see combined summer camps for all the district's teens and young adults. With the support of the NYI, we were able to bring together our spring youth camp and merge it with our historical summer camp and produced the first combined teen and young adult UltraCamps. Bertha Llanos, was our teen director and her team was able to direct the camp for 200+ in attendance. The Lord was present and many teenagers gave their lives to Christ that weekend, and I would like to thank Bertha and her team of leaders and pastors who worked tirelessly that week to bring our district's teens a blessing and an opportunity to fellowship in the presence of the Lord.

The weekend before Teen Camp, we also held the first Young Adult Camp and we had 37 in attendance and 2 young adults reconciled their lives with the Lord. I would like to thank Clay Bryan and Daniel Guizar for their leadership and support in directing the Young Adult Camp. For this year 2020, unfortunately the situation won't allow us to hold our camps this summer. As we go past 2020, next year our hopes are that we can continue to project forward and let the Lord lead us in continuing to serve our teens and young adults in bringing them closer in their relationship with Christ.

Thank you and God Bless!

Respectfully submitted,

Rev. Jeffrey Hernández  
VA NYI Vice President

## **2019-2020 Black Ministries District Coordinator's Report**

Dr. Carla Sunberg, Dr. J. Phillip Fuller, and the Virginia District Church Family:

It is a joy to serve in the capacity of Black Ministries Coordinator for the VA District. We have a strong team of great leaders, of which, I am proud to be associated.

**NBNC** - I've devoted the Lion's share of my time working at the national level, in hopes that my work would have an impact here in Virginia. Our Black Strategic Readiness Team (BSRT) worked long and hard to plan our 2020 National Black Nazarene Conference. This event was to be held at the Atlanta Evergreen Marriot in Stone Mountain, GA. However, due to the national pandemic, we decided to cancel our conference.

**NTS Roundtable** - On August 1-3, 2019 we hosted a Young Black Leaders Roundtable Event at NTS. Approximately twenty promising young leaders from across the US attended, including two from Richmond Woodville. Our goal is to help develop these young people for leadership in the Church of the Nazarene. These young people were able to sit in interactive sessions with some of our most respected denominational leaders. Our BSRT is planning a 2021 Young Black Leaders Conference to continue our efforts to develop these young Black leaders for service.

**CPE** - In cooperation with Rev. Mark Bane, Director of USA/Canada Evangelism & New Church Development, we sponsored a Fall 2019 Church Planting Essentials class in Atlanta, GA for 20 Black Ministers. Thanks to resources provided by VA District and Rev Bane's office, I was able to take 3 local ministers from Richmond Woodville to this key training event.

**Black Ministries** - Consultation - In cooperation with Dr. Sunberg and Dr. Basic, we participated in a national Black Ministries Consultation discussion. About twenty persons participated in these meetings, including Dr. Fuller and 4 DS's, the BSRT, Dr. Chambo, Dr. Broadbooks and Dr. Hodgson from the Office of Mission Strategy. These meetings resulted in a renewed emphasis to recruit and train Black leaders. Our BSRT held a Sept. 2019 follow-up meeting in Atlanta, whereby goals and strategies were put in place to achieve this objective. The aforementioned Young Black Leaders Conference is a result of those strategy sessions.

**Leadership Development Gift** - Our National Black Ministries Office recently received a substantial gift of 100k to assist in recruiting and training Black leaders. This resulted from conversations I held with one of our denominational leaders at the 2019 Compassionate Ministries Conference at Indianapolis Shepherd Community COTN. In this conversation I conveyed my concern over the lack of resources, time and effort being devoted to the development of Black leaders in the Church at large. This leader was key in acquiring this gift for Black Leadership development. Additionally, the BSRT has planned activities to strengthen and encourage our current group of Black pastors.

**Urban Camp** - The Urban Camp was phased out as a separate camp and merged with our VA district camp. Scholarships will be offered to Urban youth and a special effort will be made to get them to attend our Virginia District Camp. Feel free to direct any needy minority youth to me if they need assistance to attend.

**MLK Celebration** - The plans for a districtwide Martin Luther King Jr. celebration in 2020 were derailed. We have moved this event to 2021. I encourage as many as possible to mark your calendars and plan to attend. We anticipate holding this service in Charlottesville. This event is a celebration of the rich diversity we enjoy in Virginia and the “Dream” that Dr. King so eloquently articulated in his historic speech delivered in August of 1963 on the steps of Lincoln Memorial in Washington, DC.

Finally, it is an honor to serve in this capacity on the Virginia District.

In HIS service,

**Dr. Charles A. Tillman, Sr.**

## **2019-2020 Hispanic Ministries District Coach's Report**

### **OUR GRATITUDE:**

Martha and I are thankful to our Lord for calling us to serve in His Kingdom, even thou we are retired.

My gratitude is through Jesus Christ my Lord and Savior. By his grace, every pastor uphold the responsibility to the mission of Jesus Christ, to go and makes disciples according to His image.

To my brother, Dr. Phil Fuller, is a great inspiration to my wife and I.

My wife, Martha is my best friend, encourager and accountability partner. Without her, all the work that we are doing om Virginia District would not be impossible.

### **MISSION:**

Our mission is to win the Hispanic people for the kingdom of God across the Virginia State and beyond, and make them faithful disciples of Jesus Christ.

### **VISION:**

To open 30 Healthy and Reproducing Hispanic Churches in the State of Virginia, where every believer can minister by the Gifts of the Holy Spirit and to open a Hispanic Nazarene Theological Institute to equip pastors and leaders of those churches.

### **NEW START CHURCH POSSIBILITIES:**

As we plan for next year, please pray we can acquire more couples and resources to continue to open New Start Churches in: Stafford, Front Royal, Charlottesville, Chesapeake and Culpeper. These areas have many Hispanic people living there and we want to share Jesus with them.

### **WELCOME NEW PASTORS:**

I am so blessed to present to you two new pastors; Cindy Estrada (Geovani), lead pastor at Richmond El Remanente and Edwin Martinez (Ana), lead pastor at Virginia Beach El Shaddai. We welcome them both to the VA District harvest.

### **HARVEST AND GROWTH:**

Personally, I want to thank God, for every Hispanic pastor. They are not only preaching the Word of God and fulfilling their ministry, but the majority of them are working full time secular on a secular jobs to support their families. Pastors, I want to express my gratitude to all of you. Without you, there is no possibility to accomplished, what it has been done.

### **HISPANIC FAMILY CAMP:**

Dr. Phil Fuller wrote: Virginia District Campamento Familiar a Tremendous Success  
Over the Labor Day weekend, the Virginia District held its 16th Campamento Familiar (Hispanic Family Camp). The preachers were Nazarene evangelists Jorge & Cary Diaz of Miami. More than 659 persons where registered for the event that began on Friday night and concluded with breakfast on Monday.

Hispanic Family Camp included sports, a soccer tournament, swimming, worship, children's ministry, youth ministry and plenty of great food. The theme of the camp was, "Hogares Sobre La Roca" (Homes on the Rock) which helped us to focus on building strong families. The five worship services were marked by enthusiastic worship (led by the praise teams from various Hispanic congregations which included praise dance teams) and extended altar services. There were prayers for healing, salvation, sanctification and recommitments to the Lord. A beautiful Lord's Supper was part of the closing Sunday night service. A highlight of the family camp includes baptisms. Eight individuals from 5 churches were baptized by their pastor.

Rev. Rigoberto Acosta, who founded the event in 2003, had this to say, "Every year we say this was the best, but this year it was really true. The leaders we have recently appointed did a great job of owning and leading this great event."

The event was held at the Virginia Nazarene Retreat Center. Rev. Graciela Silva, Co-Pastor of Annandale Presencia de Dios was the Camp Director. My special gratitude to Pastor Graciela and her team. Also, thank you to Bertha Cruz Llanos and her team for leading our Children's Ministry. All of them did tremendous job. Praise God.

We are in the process of planning for this year Hispanic Family Camp, September 4-7. The theme is "**Spiritual Leadership**" The guest speakers will be Rev. Jorge Marin, from Cali, Colombia, who now is living in IL. Our goal is again 600 in attendance due to space.

#### **PASTORAL AND LEADERSHIP DEVELOPMENT:**

We held two training workshops by zones to continue development for pastors and leaders in their congregations. I am so glad to report that God has been with us on these workshops. My gratitude goes to Jacquie Gomez, District Executive Administrator, who assisted with these workshops. She is an excellent and passionate trainer. Some churches also brought leaders from their congregation which should great passion for Gods mission.

# **District Board Reports**

## 2019-2020 Advisory Board Report

The 2019-2020 Virginia District Advisory Board (DAB) members were: Ex-Officio--Dr. J. Phillip Fuller (Chairman); Rigoberto Acosta (Hispanic Coach), Nathan Burns (Secretary), Todd Kern (Dist. Treasurer), and Charles Tillman (Black Ministries Coord.); William R. Dillon II, (*Secretary pro tem*); Ordained ministers--William R. Dillon II, Steven Guizar, Joyce Grambo, Samuel Montanez, and Stephen Willis; Lay members--Doug Fry, Mike Pittman, Tracy Spaur, Dianne Tolliver, and Sue Brown.

The District Advisory Board met six times during the church year to attend to the business of the district as set forth in the *Manual*, paragraphs 224-228.

Interim ministerial transfers have been processed accordingly and recorded in the Ministerial Credential Board report in accordance with the *Manual*, paragraphs 223, 228.9-228.10, 535-535.2.

We recommended to the Ministerial Credentials Board new or renewal district licenses for ministers serving as pastors: Edsel Conner, Floyd; Debbie Crofford, Eastern Shore; Cindy Estrada, Richmond El Remanente; Tabitha Jernigan, Victoria; Mario Mairena-Gonzalez, Tidewater Central Renacer Con Cristo; Benigno Martinez, Roanoke Amor Viviente; Rodney Mateer, Arlington First; Mike Morrison, Hampton Saunders Road; Martha Pulido, Woodstock Cristo Redentor; Jaqueline Sanchez-Gonzalez, Williamsburg Iglesia; Joe Wilson, Saltville.

The District Advisory Board approved the following:

- Churches that closed: Dumfries La Vid Verdadera, Roanoke Grandview Heights.
- Recommended the reinstatement and restoration to good standing of Nelson Villatoro and his credential returned (*Manual*, 540.10.1).
- New Churches that were organized this year: Lorton Santidad A Jehová, Salem Un Camino Mejor, Williamsburg Iglesia, Woodstock Cristo Redentor.
- Recommended Fredericksburg Salem Fields to the GMC for SF600.
- Property:
  - Authorized the sale of the Hampton church properties to the Hampton Puerta de Salvación church.
  - Authorized the Hampton Puerta de Salvación church to purchase the Hampton church properties.
- In light of the coronavirus pandemic a COVID Hope Fund was established to assist our churches and pastoral families in their time of need.
- Due to COVID-19, recommended the cancellation of the 2020 District Assembly to our presiding General Superintendent and that the work normally done by the District Assembly be conducted by the District Advisory Committee (District Advisory Board plus the chairpersons of the NMI, NYI, & SDMI) including the election of the delegates and alternates to the 2021 General Assembly.

- Due to COVID-19, requested all board and committee members whose terms were to expire this year to serve another year. All open terms will be filled at the 2021 District Assembly, providing that we are able to meet then.
- Due to COVID-19, cancelled all district in-person gatherings through July 2020, including all camps, retreats, committees, and board meetings.
- Approved the requests for CARES Act PPP Loans for churches, for the district and for the Virginia Nazarene Retreat Center. Loan request amounts reached nearly \$1.9 million.
- Approved the request for refinancing by the Richmond Hope Community Renewal
- Nazarene Safe: The DAB is reminding every church on the Virginia District to meet and comply with the standards set forth by Nazarene Safe. Nazarene Safe was developed to help churches create safe ministry environments, policies, and practices to prevent sexual misconduct and protect minors. **We also ask that every church submit a copy of their local church's written and implemented sexual abuse/child protection policy to the DRC by July 30, 2020.**

The Virginia District Advisory Board adopted the above actions and worked on many other items on behalf of the District Family. The District Advisory Board has faithfully served the Virginia District through prayer, counsel, and time. Thank you for your support and prayer as we continue to serve our great District.

*Respectfully submitted,*

WILLIAM R. DILLON, II, *Secretary Pro Tem*

J. PHILLIP FULLER, *Chairman*

## **2019-2020 Camp Board Report**

The members of the 2019-20 Camp Board were: Ministers; Carlos Gomez, Jeff Hernandez, Todd Thomas, Logan Phillips, Steven Kelly, and; Lay Members; Glenn Grambo, Cheryl Haynes, Robert Holter, Artie Jessup, Valerie Spaur, Wayne Dunman, Bertha Cruz Osorio, and; Ex-officio members; Dr. Phil Fuller (District Superintendent), Mark Hardy (Camp Manager), Todd Kern (District Treasurer), Brian Young (SDMI Representative), Jerry Varner (NYI President), Joyce Grambo (DIG/Camp Meeting Director)

The board met in one regular session and two sessions via tele conferencing during the year to discuss business related to the operations, maintenance, improvements, and repairs of the Virginia Nazarene Retreat Center (VNRC).

Our camps and retreats reached more people again!

Projects finished this year included, water intrusion abatement projects on both the Women's Dorm and Pearl's Place. Numerous repairs were also completed that continue to help us to update the facilities. The board is continuing to prepare for abandoning the septic drain field in front of Keys Tabernacle and redirecting the flow to Gaddy drain field. This will facilitate the eventual restructuring of the main entrance to the Key's Tabernacle.

Thanks to all of your efforts we have finished the year in the "black" for the sixth year in a row. Due to your contributions we now have just over \$47,000 (decrease due to market volatility surrounding COVID-19) in the endowment fund and the interest payments each year help to improve the campground.

Remember that donations to the camp can be accomplished "on-line"!

In December, Mark Hardy became the VNRC manager. It has been an exciting first few months under his leadership! Conversely, Richard Higgerson, VNRC Caretaker retired in March 2020. We would like to thank the camp staff for their continued efforts in running and maintaining the camp facilities and grounds.

Currently the VNRC is closed due to the Governor's decree concerning COVID-19. As a result all Virginia District Church of the Nazarene functions at the VNRC through the end of July 2020 have been cancelled. As such now more than ever your contributions to the camp will make a difference.

Respectfully Submitted,

Robert Holter, Secretary

J. Phillip Fuller, Chairman

## 2019-2020 Church Properties Board Report

In the past year, the Church Properties Board served all churches in all regions of Virginia. Brian Young has served as secretary to the Board, by receiving and reviewing all applications prior to their dissemination to the entire board. It is the continuing goal of the Board to review requests more efficiently and to respond to church requests in a timely manner.

The requests of the following churches were reviewed and action was taken:

**1. Richmond Woodville** - The Church Properties Board has been working with Pastor Charles Tillman reviewing initial plans for the development of additional facilities and the expansion of educational facilities.

**2. Hampton Church Sale & Hampton Puerta de Salvación Purchase** – Recommended the transfer of property between these two churches be reviewed and approved by the District Advisory Board in light of lender expectations.

**3. Richmond Cross Pointe Proposed Education Addition** - Approved of the application submitted requesting the approval for construction of additional educational facilities square footage at their current location.

**4. Verona Living Stone Building Purchase** - Approved the request for the purchase of their first property.

District Staff also responded to preliminary requests for information by the Victoria Church concerning a child-care center, Winchester First for a Before and After School program which was referred to the District Advisory Board. These requests did not require action by the full Properties Board.

The members of the Church Properties Board this year were: Chairman – Dr. J. Phillip Fuller; Clergy – Cavan Carlton and Steve Guizar. Lay-persons – Alfred Copley, Doug Fry, Dave Kochheiser, and Brian Young.

*Respectfully Submitted,*

BRIAN YOUNG, Secretary

## **2019-2020 Christian Action Committee Report**

(This report is a repeat from last year)

1. We, the District Christian Action Committee, call the attention of the District Assembly to:
  - 1.1. The Greatest Commandment as proclaimed by Christ in Matthew 22:37-40: “‘Love the Lord your God with all your heart and with all your soul and with all your mind.’ This is the first and greatest commandment. And the second is like it, ‘Love your neighbor as yourself.’ All the Law and the Prophets hang on these two commandments.”
  - 1.2. The Great Commission declared in Matthew 28:19-20: “Therefore go and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit, and teaching them to obey everything I have commanded you.”
  - 1.3. The Least of These as in Matthew 25:35-36 & 40. “For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.” “The King will reply, ‘Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.’”
  - 1.4. Isaiah 58:6 “Is not this the kind of fasting I have chosen: to loose the chains of injustice and untie the cords of the yoke, to set the oppressed free and break every yoke?”
  - 1.5. These are the marching orders we have been given. They are our motivation, mission, and call to Christian action. We urge our churches to join with the Spirit of Christ to advance the Kingdom of God in Virginia. To be the salt of the earth and light of the world, we do not fight with the same weapons as the darkness. Instead we arm ourselves as described in Ephesians 6:10-18.
2. We recommend that local churches use the following steps to carry out Christian actions in a way that fits our holy calling:
  - 2.1. That pastors, associates, evangelists, teachers, lay persons, parents and all church leaders encourage respect for the teachings of the Church of the Nazarene by regularly emphasizing to the local church the Covenant of Christian Character and the Covenant of Christian Conduct as stated in the Manual of the Church of the Nazarene, and derived from the Bible.
  - 2.2. That the local church board, under the direction of its pastor, appoints a local Christian Action Committee to keep the church informed of moral issues and to educate people with the Biblical holiness standard. Each Christian Action Committee will be given the responsibility of implementing a Christian action plan relevant to its community and the nation.
  - 2.3. Local Action Committees are encouraged to submit to the District Christian Action Committee a brief summary of their community involvement. That the local Christian Action Committees, under the direction of the church board, use the following as a minimum framework for the Christian action plans:

- 2.3.1. Support the sanctity of human life in all stages of life, as stated in Psalms 139:13-16 (NIV): “For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well. My frame was not hidden from you when I was made in the secret place. When I was woven together in the depths of the earth, your eyes saw my unformed body. All the days ordained for me were written in your book before one of them came to be.” Confronting the tragedy of human trafficking is another piece in supporting the sanctity of human life.
- 2.3.2. Support the unity of the family and its formation in Christ-likeness, as stated in Ephesians 6:1-4 (NIV): “Children, obey your parents in the Lord, for this is right. ‘Honor your father and mother’ – which is the first commandment with a promise – that it may go well with you and that you may enjoy long life on the earth.” “Fathers, do not exasperate your children; instead, bring them up in the training and instruction of the Lord.”
- 2.3.3. Oppose all forms of domestic violence through education, counseling and Biblical preaching and teaching.
- 2.3.4. Provide families and individuals with suggestions for Christian activities that will promote strong moral character.
- 2.3.5. Encourage families to become involved, as much as possible, in activities of the church, community and school.
- 2.3.6. Urge parents to become actively involved in their children’s education through school activities, communicating with teachers and local School Board members, voicing concern over such matters as bullying, alcohol use and drug abuse, sexual immorality, and acts of violence. We encourage praying for discernment about alternative forms of education such as Christian schools and home schooling.
- 2.3.7. Support marriages and the family by promoting marriage and family clinics, seminars, mentors, and providing Christian resources, such as Holiness Today and Focus on the Family. We encourage our churches to develop relationships with local Christian counselors.
- 2.3.8. That all pastors are familiar with the denominational position and Biblical standards on homosexuality and same sex marriage. A helpful resource from the Board of General Superintendents can be found at [http://nazarene.org/files/docs/Perspectives\\_Homosexuality.pdf](http://nazarene.org/files/docs/Perspectives_Homosexuality.pdf).
- 2.3.9. Provide information and resources to address the following Christian conduct issues: gambling, premarital and extramarital sex, abortion, homosexuality, pornography, euthanasia, worldly entertainment, divorce, physical, emotional and sexual abuse, and substance abuse.
- 2.3.10. Increase awareness of and educate against substance abuse (such as: the use of alcohol and drug abuse, including the inappropriate use of prescription drugs), and to proactively engage in helpful ways to transform lives.
- 2.3.11. Lead our members, through example, in becoming actively involved in meeting human needs, such as poverty, alleviating suffering and welcoming the stranger.
- 2.3.12. Provide information and resources to address the following areas of growing concern: medical ethics, stewardship of creation, and the use of technology.
- 2.3.13. Model conflict resolution according to Scripture so that even in our conflict we Glorify God (Bring God into your situation); Get the Log Out (Own your part in the

conflict); Gently Restore (help others own their part of the conflict); Go and Be reconciled (Give forgiveness and Arrive at a Reasonable Solution) (for more information see Ken Sande, [Resolving Everyday Conflict](#) and [www.peacemaker.net](http://www.peacemaker.net)).

3. We, the District Christian Action Committee, urge each local Christian Action Committee and all Nazarenes to take the following practical steps to make an impact on their community and world:
  - 3.1. Research by reading books, magazines, and searching reputable sites on the internet to be knowledgeable about current moral issues. Use good judgment in evaluating resources through our Wesleyan-Holiness heritage.
  - 3.2. Register to vote and work to elect people who support holiness standards in government. Lovingly oppose any public office or official who undermines Judeo-Christian ethics by first praying for them, especially that the Spirit of Christ would work mightily in their hearts, writing letters, making phone calls, legally and ethically protesting, and expressing Christian views to others. Express thanks and support for those who stand up for holiness standards and Christian ethics.
  - 3.3. Minister to the needy of our community by feeding the hungry, taking care of widows and orphans, providing support to single parents, aiding the homeless in supporting themselves, etc., either through the local church or by partnering with other churches and community organizations.
  - 3.4. Choose only the most wholesome media and entertainment productions and use Christian websites on the Internet that provide source filtering of on-line content. May the advice of Susanna Wesley guide us: "Whatever weakens your reason, impairs the tenderness of your conscience, obscures your sense of God, takes off your relish for spiritual things, whatever increases the authority of the body over the mind, that thing is sin to you, however innocent it may seem in itself."
  - 3.5. Help the church board develop an evangelistic plan suited for the local community, which will help carry out the Great Commission.
  - 3.6. That every church board include this committee report as an agenda item at a fall board meeting this year, for prayer, conversation and action.
4. In conclusion, the District Christian Action Committee prays that the members of the Virginia District Church of the Nazarene would boldly proclaim with their lives what holiness and godliness look like. As stated in Hebrews 12:14 (NIV): "Make every effort to live in peace with all men and to be holy, without holiness no one will see the Lord." May the Spirit that raised Jesus from the dead truly make us people of the mission, who undeniably live in Godly love, so we may impact our communities for the Kingdom.

# 2019-2020 Church Growth Committee Report

(This report is a repeat from last year)

The committee (Stephen Willis, Stephen Parker, Yeliz Mairena, Wynne Lankford, Marlon King, Joyce Grambo, Mary Jimenez, and Phil Fuller) reports the following:

## Growing the church through evangelism & discipleship is reasonable and good

As a district of congregations committed to the mission of Christ to “*Make Christ-like disciples in the nations,*” we agree that it is perfectly reasonable and right to speak of expanding the kingdom through evangelism and discipleship. Growing the church is, “Making room for and welcoming the non-believer into the family of God and shaping them to Christlikeness.” We believe this is primarily the work of God and that by his grace we are partners through our spirit-led efforts to see the church grow.

- ❖ When we are serious about seeing both the *Great Commandment* and the *Great Commission* fulfilled, there is no way to understand these great truths without them also including welcoming, even multiplying the number of new folks to the fellowship of believers.
- ❖ A church, to be healthy, must have both an inward and an outward focus. Health comes from equally emphasizing both discipleship and evangelistic.
- ❖ Jesus’ first conversation with the disciples is about making them, “fishers of men” (evangelism) and his last conversation with them is the commandment to, “Go into all the world.” (Evangelism) The essential outcome for a true disciple is to multiply through outreach.
- ❖ The Book of Acts records several instances where the church grows in number. Someone was not only counting but inviting others to celebrate the growth of the kingdom.
- ❖ Rather than make excuses about weak evangelism, limited discipleship or poor church growth, lets prayerfully **support one another** in this effort. *We agree that being accountable for numbers for the sake of numbers is not helpful.* Every pastor and church is significant.

- ❖ There are seasons of helpful pruning; however, pruning should eventually lead to growth.

### Principles for the healthy growth of our churches:

- ❖ **Reinvention.** Pastors, Church Boards and leaders must be willing to reinvent their ministry to ensure a healthy balance of outreach and discipleship.
- ❖ **Intentionality.** God’s people must be intentional to connect with the unchurched and unbelievers.
- ❖ **Mission mindset.** Every believer is a missionary ... some even willingly.
- ❖ **Expectations.** Expect to have guests. Make a point to engage in a healthy conversation with your leaders about the “readiness” of your local church to receive guests. What barriers keep people from entering your gatherings.
- ❖ **Yearly Training on Evangelism.** Every local church should have a discipleship emphasis on how to share one’s faith taught to your church at a minimum once a year.
- ❖ **Monthly Focus on Evangelism.** Healthy churches have a focus on evangelism at least monthly.
- ❖ **Sacrifice.** The growth of the church requires effort, cost, and a willingness to sacrifice.
- ❖ **Prayer.** Local leaders praying specifically for a revival of the mission and first love of the church.

### 5 Ways to **MINIMIZE** growth

- ❖ Do not expect guests.
- ❖ Do not preach evangelistically.
- ❖ Pray for God to move but do not plan as if He will.
- ❖ Refuse to change.
- ❖ Always say, “Yes!” to everything and become ineffective in all things.

## **Receive Insight from a Mentor.**

- Passionate Evangelism Conversation in this assembly
- Consider being part of an Organic Outreach Cohort
- Leaders with evangelistic passion. Meet a couple of people whom God is using for evangelism.
- Mentorship Interest Card ... If you would like a mentor to help infuse your church with a passion for evangelism, please reach out to the District Resource Center at [info@vanaz.org](mailto:info@vanaz.org). We promise to help find a mentor to help you and with whom you can learn together.
- Mentorship Defined ... Mentors are seasoned advisors willing to go on a journey of discovery with you. Mentorship is the practice of learning from one another to accomplish a task.
- A list of mentors is being developed and will be posted on [www.vanaz.org](http://www.vanaz.org).

## **2019-2020 Church Planting Initiative (DCPI)**

This has been an excellent year for our Church Planting Initiative on the Virginia District. We were able to complete two of our three scheduled Dynamic Church Planting Training events this year. We have seen God move in powerful ways in the lives of pastors and laypeople alike, as they were inspired, informed, and engaged by the vision of planting new churches across Virginia.

Pastor Wayne Lynch first attended a DCPI training course about 5 years ago. Over those years that seed was watered until God grew it into a vision for a new Nazarene Church to be planted in Amelia County. Pastor Wayne attended another DCPI course this past year to finalize a plan in partnership with Southside Church to launch a new Campus Church.

As instructed through the DCPI experience, the Amelia team formed an advertising plan to help the community know about the launch, an outreach plan to engage new people, a discipleship plan to help their people grow, a funding plan to support the launch, and all the other parts necessary to give birth to a healthy new congregation.

In January, we saw the fruit of that labor as Southside Church – Amelia Campus was launched! In the first month, they saw salvations and rededications, many first time guests, growing small groups, and people who emphatically declared, “This is my church!”

It began with a vision from God. DCPI helped to partner that vision with a confident plan and ultimately the help that was needed to see it through. Just maybe, God has given you a vision. Join us at one of the upcoming DCPI training experience and see what God might do to bring that vision to life! Dates and locations may change due to the Corona Virus response across the state, but updates will be provided through the VA District website and email communications.

These events are only \$45 to register and that covers your training materials and lunches during the event! God is always giving vision. Join us and allow Him to bring that vision to life!

Respectfully Submitted,

REGGIE PHILLIPS, DCPI Champion

## 2020 Finance Committee Report

The Finance Committee makes the following recommendations:

### ***Part I--Budget Considerations***

1. That the formula for determining the total amount of the World Evangelism Fund, Pensions and Benefits Fund, Educational Budget, and District Unified Budget be as follows:
  - a. That church income (for budget purposes) be defined as any donation received by a church that qualifies as a charitable contribution. For more information on what qualifies as a charitable donation, go to [www.fundingthemission.org](http://www.fundingthemission.org).
  - b. That the church income given for World Evangelism Fund, 10% Mission Specials, and other mission offerings will be subtracted from the church income before the percentages that follow (listed in c.) are applied. For a list of the mission offerings that can be excluded, see the website [www.fundingthemission.org](http://www.fundingthemission.org).
  - c. That budgets be calculated on these percentages: World Evangelism, 5.5 percent; Pensions and Benefits, 2.25 percent; Educational, 2.25 percent; District Unified 5.0 percent. Each of these percentages is to be applied to church income less missions giving.
  - d. That any newly organized church will be allowed to pay their District Budget according to the following percentages: First year, 2 percent; second year, 3 percent; third year, 4 percent; fourth year, 5 percent. These percentages will be applied to church income less missions giving.
  - e. That New Start churches begin tithing (10%) of their income to the District Unified Budget, or World Evangelism Fund immediately (income exclusive of World Evangelism Fund and 10% mission specials).
  - f. That churches giving any money for individual New Starts receive 10% missions special credit by adding the amount to "point to point giving" on the local church giving report when using the online giving method. These new church plants must be approved annually by the District Advisory Board to qualify for the credit.
  - g. That sponsoring churches of a new church plant are eligible for a one-time (per new church plant) deduction of up to \$5,000 from their district budget if they contribute substantial financial support or members. (This deduction must be approved by the district advisory board and the district superintendent.)
  - h. That churches are encouraged, when appropriate, to make application through the DRC for Rare Circumstance Adjustments to denominational apportionments.
2. That the total estimated District Unified Budget be \$723,663 and that it be divided among the district interests as follows:

District Administration	\$446,863
District Virginia Missions	100,000
District Camp Operations	111,000
District SDMI	20,800
District NYI	26,100
District NMI	18,900
3. That the disbursement of the district administration portion of the District Unified Budget (**April 1, 2020 through March 31, 2021**) be as follows:

## Salaries and Benefits

### District Superintendent

Salary	94,018
Self-employment tax	28,500
Retirement 403(b)	26,000
Housing Allowance	47,000
Life & AD&D	1,795
Assistants to the District Superintendent Salary	15,000

### Honoraria

District Treasurer	4,400
District Secretary	4,400
Credentials Board Secretary	2,400
Ministerial Board Secretary	2,400

### Administration

Conference Expense (D.S. and Evang.)	6,500
Telephone	3,500
District Office Expense	2,000
District Superintendent Auto Expense	8,000
District Superintendent Professional Expense	12,000
Office Equipment Maintenance	2,000
Office Equipment Purchases	2,000
Assistant DS Expense	8,000
Church Growth	4,500
Discretionary Fund	3,750
Office Administrators	60,100
Office Administrator Social Security	5,500
Bookkeeper	3,000

### District Headquarters

Maintenance	1,000
Utilities	7,000
Insurance	14,000

### Other District Expense

District Assembly	25,000
Camp Meeting	8,500
Auditor	5,500
District Boards Expense	9,000
Ministry Team Retreat	7,200
Gifts/Awards/Flowers	2,000
Christmas Gifts	10,000
General Assembly Delegates	7,000
Payroll Processing	2,500

Miscellaneous	1,000
Stewardship Tech Fees	400

4. That District Unified Budget disbursements be directed as follows:

<u>Portion</u>	<u>Under the direction of</u>
Virginia Missions	District Advisory Board
Camp Operations	District Camp Board
SDMI	District SDMI Board
NYI	District NYI Council
NMI	District NMI Council

5. That the District SDMI Board, and NYI & NMI Councils each provide the Finance Committee a report of expenses and income for this year and a proposed budget for the next year by **April 20, 2021**.
6. That local church responsibilities be as follows:
- That each local church, through its pastor and church board, prepare a total financial budget for the assembly year **2020-21** and mail a copy to the district office no later than **July 15, 2020**.
  - That all churches report their income at [www.fundingthemission.org](http://www.fundingthemission.org) by the 10<sup>th</sup> of each month and that payments of all budgets be made at least monthly if not weekly, preferably using the online method available through [www.fundingthemission.org](http://www.fundingthemission.org).
  - That ALL APPORTIONMENTS (World Evangelism, Pensions and Benefits, Education, District) be given EQUAL consideration as a responsibility of the local church, and that recognition of faithful stewardship be based on the payment of all budgets in full. Pastors and leaders from churches that demonstrate support of the denomination through a predictable pattern of payment of apportionments will have the privilege of being considered for and elected or appointed to district leadership positions.
  - That no church take on an indebtedness that exceeds three times its annual income, averaged out over the previous 3 years, as recommended to us by the general church.
  - That no church will be granted permission to enter into a financially obligating program for building, hiring, or retaining staff, or any other purpose, that would prohibit keeping their funding the mission giving current.
  - That each church participates in the annual offerings for Nazarene Bible College and Nazarene Theological Seminary.
  - That each church review annually its property and liability insurance of all buildings and vehicles.
  - The District Unified Budget operates more than the district office and administrative responsibilities of the district, but it also supports all aspects of the work of the district, including, New Church Development, The Virginia Nazarene Retreat Center and its ministry, and support for our auxiliary departments of the District: SDMI, NYI and NMI. All Churches are encouraged to fully support the district apportionment so that all aspects of district ministries are fully funded.**
  - In harmony with the Manual, par. 33, only those members of local congregations who practice consistent storehouse tithing be nominated for elective offices in the local church.
7. The Advisory Board will appoint a finance team available to local churches on request to give

instructional assistance in their financial management.

8. That the travel allowance for official board meetings, councils, or committees be at 45 cents per mile except for district employees/staff which will be at the IRS business mileage standard.
9. That the district superintendent be granted one month's vacation with pay.

### ***Part 2--Pastors' and Associate Pastors' Compensation***

#### ***Action Plan***

1. Compensation for ministers by the church includes the following as a minimum:
  - a. Salary.
  - b. Reasonable housing expenses.
  - c. Self-employment tax.
  - d. Family health insurance coverage.
  - e. Paid vacation (see item 4 below).
2. Suggested additional benefits:
  - a. Contribution to the Nazarene 403(b) Retirement Savings Plan.
  - b. Accountable medical reimbursement plan.
  - c. Dental insurance.
  - d. Life insurance.
  - e. Accidental death/long term disability insurance coupled with a salary continuation plan.
  - f. Annual physical examination (at church expense).
  - g. A Sabbatical plan (see item 5 below).
  - h. The church board shall review not less frequently than annually, the compensation package of each pastor employed. A report shall be sent to the District Superintendent of the results of each review.
3. Professional Expenses. Churches should include in their annual budgets line items of sufficient amount to reimburse professional and business expenses for ministry through accountable reimbursement plans. These will include but are not limited to:
  - a. Mileage reimbursement rate: current IRS mileage rate.
  - b. Meal and entertainment reimbursements.
  - c. Books, online resources, subscriptions.
  - d. Continuing education expenses (completion of two continuing education units is required of Nazarene ministers annually).
  - e. Office supplies.
  - f. Gifts the pastors give to members on occasions of weddings, graduations and showers.
  - g. Costs for attending and participating at the General Assembly in 2021.
  - h. That churches cover costs for district retreats for the Pastor and Spouse, DIG Campmeeting, District and General Assembly. That strong consideration be given to covering the expenses of **qualifying pastors or pastor's spouses** to the Annual District Ladies Ministry Retreat.
4. Vacation Guidelines:
  - a. Churches are encouraged to establish a vacation guideline with the following minimums. Years of service indicates total number of years in ministry.

- From 0 up to 5 years of service--2 weeks including 3 Sundays
  - From 5 up to 14 years of service--3 weeks including 4 Sundays
  - More than 14 years of service--4 weeks including 5 Sundays
- b. That churches not consider the following as vacation: Ministry Team Retreat, District Assembly, General Assembly, DIG Campmeeting, Camp Work Days, district events sponsored by SDMI, NYI, or NMI, denominational events sponsored by the general church, and district committee meetings.
  - c. Because rest and renewal are important even vital components of effective ministry, pastors are encouraged to use the entire period of their allotted vacation days every year. To strengthen this ideal, no more than one week of accumulated vacation can be carried over to the next fiscal year. Additionally, at the beginning and the end of a pastor's service, vacation is provided on a yearly prorated basis (i.e., one month of service of one year provides 1/12<sup>th</sup> of the annual vacation allotment).
5. Sabbatical Plan:  
Upon completion of every five to seven years of service at the same church, we recommend that each minister, with the approval of the church board, and subject to the approval of the District Superintendent (for the lead pastor), plan a sabbatical of no less than 30 days. A sabbatical taken by any minister during the District Assembly must be approved by the District Superintendent. The sabbatical period is not to be counted against the minister's annual vacation time. A sabbatical is a necessary time for planned spiritual, physical, and emotional rest and works to alleviate burnout and its symptoms. Planned sabbaticals renew both ministers and congregations, and increase the length of tenures in ministry. Longer tenures, in turn, positively affect congregational health. Salary and benefits should continue during the sabbatical period. Churches should also cover reasonable expenses incurred in planning and taking the sabbatical. For more information visit the district website: [www.vanaz.org](http://www.vanaz.org).
  6. Maintaining Balance and Well-Being in Ministry. Pastors and staff are to be encouraged by their church boards to commit to God's plan for rest and renewal, which includes but is not limited to:
    - a. Protect private time with the Lord each day.
    - b. Rest one full day each week completely avoiding ministry responsibilities (phone, email, visits, administration, etc.).
    - c. Plan and take vacations that are a complete break from ministry responsibilities.
    - d. Plan periodic times of spiritual renewal.
    - e. Carefully discern God's will and confer with family prior to accepting additional ministry responsibilities.
  7. Pastoral Appreciation:
    - a. Appreciation Month: We recommend that the church plan and carry out special appreciation activities for pastors and their families in October or other suitable month each year.
    - b. Christmas Bonus: We recommend that the church plan for and present an additional week's pay (at minimum) as a Christmas bonus to ministers.
  8. Evangelists. The General Superintendents have suggested the following guidelines:
    - a. Cover the evangelist's travel expenses both to and from the local church.

- b. Provide housing, meals, and study resources while the evangelist is serving the local congregation.
- c. In consultation with the evangelist, contribute to the evangelist's retirement.
- d. Where appropriate, designate a portion of the compensation as housing allowance.
- e. Pay a stipend equal to twice that of the pastor's compensation, including housing, plus benefits.
- f. Remember the evangelist at Christmas with a generous love offering.
- g. For additional information visit

### ***Part 3 -- Financial Safeguards for Pastors and Local Churches***

1. The Church of the Nazarene operates on a principle that the Pastor of a local church be strictly limited from access to the funds of the local church and that ultimate accountability for the finances of the Church remain in the hands of the duly elected Church Board (or its appointed Finance Committee) on behalf of the local congregation.
2. By limiting the access to finances by the Pastor, the Church helps to strengthen the pastor's reputation and the liberty of his or her ministry. To strengthen this safeguard principle a number of important systems are in place:
3. The Church Board, acting on behalf of the Church Membership, shall...
  - a. elect a treasurer to provide accounting of all funds (see 129.20).
  - b. cause careful accounting to be kept of all money received and disbursed by the church, including any childcare/schools (birth through secondary) and Nazarene Missions International (NMI), Nazarene Youth International (NYI), Sunday School and Discipleship Ministries International (SDMI), and make report of the same at its regular monthly meetings and to the annual meeting of the church. (129.21)
  - c. provide a committee, no fewer than two members of which shall count and account for all money received by the church. (129.22)
  - d. establish an annual budget of income and expenditures for every department of the Church. This action is a primary duty of the Board. (See manual 129.6).
  - e. assign to a committee of the Board the responsibilities of monitoring the Church Budget and reporting to the Board the financial conditions and concerns of the Church. (129.7)
  - f. send of copy of the annual budget to the District Resource Center by **July 15** each year. This requirement is by action of the District Assembly upon the recommendation of the District Finance Committee.
  - g. review financial reports monthly which have been prepared for this purpose by the Church Treasurer (136.4)
4. Specifically, regarding the Pastor:
  - a. No pastor or any member of his or her immediate family, shall be authorized to have direct access to church funds and or serve as Church Treasurer (including handling cash, and/or signing checks, use of ATM cards, Debit Cards or other electronic transaction methods that are directly linked to the Church operating accounts or savings accounts, however they be named).
  - b. The pastor may be listed as an officer of the Church with the bank so long as this administrative function does not grant direct access to Church funds.
  - c. The pastor and/or immediate family members shall not participate in the counting of moneys for any church related funds. Immediate family includes spouse, children, siblings, or parents.

- d. The pastor shall not contract bills, create financial obligations, or disburse funds for the local church unless authorized and directed by majority vote of the church board of an organized church or by majority vote of a church meeting of an organized church. One method by which a church board or church meeting can authorize such expenses is the use of an approved expense budget, which includes regular (monthly) review by the Church Board. Such budget and monthly review shall be duly recorded in the minutes of the church board or of the minutes of the church meeting.
- e. The pastor shall have access to all records of the local church. (129.23)
5. Annually, the Church Board will ensure that all the financial records of the Church, including all auxiliaries, are audited or examined. The Church Board has a duty to appoint an auditing committee or a committee of independent examiners, or such other qualified persons, that shall audit or examine, to at least the minimum standard required by national or state law if applicable, or other recognized professional standards, at least annually, the financial records of the treasurer of the church, the Nazarene Youth International (NYI), the Sunday School and Discipleship Ministries International (SDMI) Board, Nazarene childcare/schools (birth through secondary), and any other financial records of the church. (129.23)
6. Any exceptions to the above (which are extremely rare) must be approved in writing by the District Advisory Board and the District Superintendent. (517)
7. Proactive Steps for Expenditure Reimbursement:
  - a. Because an expenditure of funds is necessary for the operation of the local church, and because Pastors are often responsible for seeing that certain expenditures are made the following are recommended methods for accountability and flexibility for such expenditures:
    - i. Use of a small petty cash with regular accountability to the Church Board.
    - ii. Use of prepaid debit cards which do not have direct access to Church bank accounts.
    - iii. Use of credit cards with accountability for expenditures to Church Board.
    - iv. Use of personal funds followed by appropriate reimbursement.
  - b. All methods of reimbursement shall follow guidelines for an Accountable Reimbursement Plan whereby, once the expense is incurred, the request for reimbursement reports the time, date, location, amount and purpose of the expenditure prior to reimbursement, and that these reimbursements are reviewed by the Church Board through an appropriate method.

#### *Part 4 -- Resources*

1. [www.pbusa.org](http://www.pbusa.org) :: resources on compensation and retirement planning for Nazarene clergy. Helpful information found here on Accountable Reimbursement Plans.
2. [www.ecfa.org](http://www.ecfa.org) :: Evangelical Council for Financial Accountability. Tremendous amount of tax (and other) financial resources for Churches of all kinds.
3. The District Finance Committee is available to advise local churches on the implementation of these guidelines. These guidelines for ministerial compensation and the entire District Finance Committee Report shall be sent to each local church board secretary, who shall in turn see that a copy is distributed to each member of the church board. A report of this action is due to the District Superintendent by **October 15, 2020**.
4. For all items identified in the Finance Committee Report the district policy is to be applied in churches which have not established local policies.

## **Partial Report No. 2**

The Nominations Committee met on Thursday, April 14, 2020 at 6:45 p.m. by Zoom.

Members Present: J. Phillip Fuller, chairman; Bill Dillon, secretary; Jacquie Gomez, Exec. Administrative Assistant; Rigoberto Acosta, Hispanic Coach; Bucky Wince, Robin Hatcher, David Taylor, Becky Dunman, Jill Whitt, Joann Stocks, James Heyward, Athan Burch, David Alberto Perez, Carolyn Godbey, Vicki Bohall, Julie Jackson, Camelot Shuff, Jullie Kelley, Joe Wilson, Nathan Rice, Marlon King, Pam Edelman, Virginia Pruitt and Sharon Harrison

The following motions concerning our elections were passed

- that “in accordance with the provisions of the Board of General Superintendents, and due to the pandemic emergency circumstances, all currently elected leaders are asked to continue serving for an additional period of one year until District Assembly 2021”
- that “terms of service for elected district leaders set to expire in 2020 will now expire in 2021, while terms of service that were set to expire in 2021 and beyond remain the same.”

- That “a person may not serve as a delegate in more than one of these: Global NYI, NMI, or SDMI Convention AND a person may not be a member of a Global Convention and also be a delegate to the General Assembly except for ex-officio members (NMI President, SDMI Chair, or NYI President).”
- For General Assembly Ministerial Delegates--that one ballot be taken from all eligible clergy to select the top 48 (including ties, with a limit of no more than 50 names on the DAC Ballot) that become the nominees to the DAC.
- For General Assembly Laity Delegates--that a nominating ballot be presented to the District Advisory Committee acting as the District Assembly containing at least 24 laity members to be elected by the Assembly.
- A second ballot for each category, consisting of all those not elected as delegates, will be prepared and one further (third) vote taken to select alternates in the order of the votes received on said ballot and that the district elect the maximum possible number of alternates
- Specifically in the election of delegates to the General Assembly, the Nominating Committee recommends the following procedures:
  - **Ministerial Delegates**
    - That the allowable number of ministerial delegates shall be determined by Manual stipulation (Manual paragraph 301.1), which is four (4), **less one (1)**, inasmuch as the district superintendent is a delegate by virtue of the office (Manual 205.23). The Virginia District will send four ministerial delegates, one of which is the district Superintendent, necessitating the election of three (3) people.
    - That a qualifying ballot be presented to the Nominating Committee containing the names of all assigned, full-time ordained ministers that have not reached retirement status, and that the results of that ballot be presented to the District Advisory Committee acting on behalf of the district assembly containing the names of forty-eight (48) assigned, full-time ordained ministers that have not reached retirement status as a nominating ballot, and that after the nominating ballot, the number of nominees be reduced for the elective ballot to no more than eleven (11) names to be elected, in order of votes received (Manual paragraph 205.23).
    - That from the above electing ballot, the allowable number of ministerial delegates shall be elected by plurality vote.
  - **Ministerial Alternate Delegates**
    - That the district assembly may elect eight (8) alternates which is equal to twice the total number of ministerial delegates allowed, including the district superintendent (Manual paragraph 205.23).
    - That one ballot be taken on the remaining eight (8) nominees (see section “b” above), and they shall be declared ministerial alternate delegates, in order of votes received.
  - **Lay Delegates**
    - That a nominating ballot be presented to the District Advisory Committee acting as the district assembly containing at least twenty-four lay members to be elected by the assembly (Manual paragraph 301.1); and that they recommend to the DAC that

after the nominating ballot, the number of nominees be reduced for the elective ballot to no more than twelve (12) nominees (Manual paragraphs 205.23, 301.1).

- That from the above electing ballot, the number of four (4) lay delegates shall be elected by plurality vote.

- **Lay Alternate Delegates**

- That the district assembly may elect eight (8) alternates which is equal to twice the total number of lay delegates allowed.
- That one ballot be taken on the remaining eight (8) nominees (above), and the authorized number shall be declared lay alternate delegates, in order of votes received.

General Assembly Delegates and Alternates ballots were taken and the committee is presenting these ballots for voting by the District Advisory Committee.
