

Virginia District Church of the Nazarene

Nazarene Safe Resource Coordinators Team

Introduction

In an ongoing effort to resources our local churches to provide the safest possible environment for children, youth and adults, the Virginia District has developed a team of Nazarene Safe Resource Coordinators.

Providing proper safety environment requires an intentional policy, a plan, consistent training and proper documentation. The Virginia District Church of the Nazarene (VANAZ) is committed to helping each local church comply with these minimum standards.

We express our thanks to Greg Norwood, Felicidad Martinez & Dianne Tolliver who have served in the recent past. Please now welcome these leaders to the Resource Coordinators Team:
